ADMISSIONS AND CONTINUED OCCUPANCY POLICY

The purpose of this Admissions and Continued Occupancy Policy (ACOP) is to define the Rogersville Housing Authority's written policies in accordance with the United States Department of Housing and Urban Development (USHUD) regulations as established by the United States Housing Act of 1937 for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail. It shall be available for public review during regular office hours Monday through Friday at the Rogersville Housing Authority's main office at 902 Locust Street, Rogersville TN and on the Rogersville Housing Authority's website.

RHA will review its ACOP annually and update the ACOP as needed to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

1.0 FAIR HOUSING AND EQUAL OPPORTUNITY

This section explains the laws and HUD regulations that apply to civil rights and fair housing in all federally assisted housing programs. RHA will consistently follow nondiscrimination policies and procedures in all areas of RHA's public housing operations.

1.1 Discrimination

Federal regulations prohibit discrimination against certain protected classes and groups of people. RHA shall not discriminate because of race, color, sex, religion, familial status, age, disability, or national origin. Familial status refers to children under the age of 18 living with parents or legal guardians, women that are pregnant, and individuals that will be receiving custody of children under the age of 18. These are considered "protected classes". RHA will not discriminate on the basis of marital status, gender identity or sexual orientation (FR Notice 02/03/12; Executive Order 13988).

It is the policy of the Rogersville Housing Authority to fully comply with all Federal, State, and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Rogersville Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, sexual preference, gender identity or disability be excluded from participation in, be denied the benefits, or be otherwise subjected to discrimination under the Rogersville Housing Authority's programs.

The Rogersville Housing Authority is an Equal Housing Opportunity. No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, sexual preference, gender identity or disability be excluded from participation in, be denied the benefits, or be otherwise subjected to discrimination under the Rogersville Housing Authority's programs.

1.2 Discrimination Complaints

If an applicant or resident family believes that any family member has been discriminated against by the RHA, the family should report the incident to the RHA. The RHA should make a reasonable attempt to determine the merits of the complaint and take any corrective actions that are warranted.

Applicants or resident families who believe that they have been subject to unlawful discrimination may notify the RHA orally or in writing. All oral complaints will be documented by the RHA employee that is contacted about the complaint. RHA will ask the individual making the complaint to provide the complaint in written form. The RHA will provide the applicant or resident family the necessary housing discrimination complaint forms. If needed, the RHA will assist the applicant or tenant in completing the complaint forms.

Within 10 business days of receiving the complaint, the RHA will investigate and attempt to remedy discrimination complaints made against the RHA. The RHA will inform the complainant of their right to file a fair housing complaint with HUD's Office of Fair Housing and Equal Opportunity. The fair housing poster, posted in the lobby, provides information on how to file a complaint with the Office of Fair Housing.

After the investigation is complete, the RHA will provide a written response within 10 business days to the complainant and others that were alleged to have committed the violation.

RHA will keep a record of all complaints, investigations, notices, and actions taken.

The Rogersville Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Rogersville Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity. When applicable, RHA will include the Equal Opportunity language and logo on written or published information and advertisements.

The Rogersville Housing Authority is an Equal Housing Opportunity. No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, sexual preference, gender identity or disability be excluded from participation in, be denied the benefits, or be otherwise subjected to discrimination under the Rogersville Housing Authority's programs.

2.0 REASONABLE ACCOMMODATION POLICY AND PROCEDURES

The Rogersville Housing Authority is committed to ensuring that its policies and procedures do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities, on the basis of disability, in connection with the operations of Rogersville Housing Authority's programs, services and activities.

Therefore, if an individual with a disability requires an accommodation such as an accessible feature or modification to a Rogersville Housing Authority policy, Rogersville Housing Authority will provide such accommodation unless doing so would result in a fundamental alteration in the nature of the program; or an undue financial and administrative burden.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program or activity.

Rogersville Housing Authority will post a copy of this Reasonable Accommodation Policy and Procedures in the office at 902 Locust Street, Rogersville, TN 37857. In addition, individuals may obtain a copy of this Reasonable Accommodation Policy and Procedures, upon request, from the Rogersville Housing Authority's Property Manager.

2.1 LEGAL AUTHORITY

The Rogersville Housing Authority is subject to Federal civil rights laws and regulations. This Reasonable Accommodation Policy is based on the following statutes or regulations. See Section 504 of the Rehabilitation Act of 1973 (Section 504); Title II of the Americans with Disabilities Act of 1990 (ADA); the Fair Housing Act of 1968, as amended (Fair Housing Act); the Architectural Barriers Act of 1968, and the respective implementing regulations for each Act.

2.2 STAFF TRAINING

The Executive Director will ensure that all appropriate Rogersville Housing Authority staff receives training on Fair Housing and Reasonable Accommodation Policies and Procedures, including all applicable Federal, State and local requirements regarding Fair Housing and Reasonable Accommodations.

2.3 GENERAL POLICY INFORMATION:

The requirement to provide reasonable accommodation is intended to provide, for persons with disabilities, equal opportunity to participate in all housing programs administered by the Rogersville Housing Authority through modification of policies, procedures, or structures. This policy is not intended to provide greater program benefits to persons with disabilities than to non-disabled residents, program participants or applicants. It may mean, however, that persons with disabilities will sometimes be treated differently, in order to ensure equal access to programs and services.

Reasonable accommodation methods or actions that may be appropriate for a particular individual may be found to be inappropriate for another program or individual. The decision to approve or deny a request for a reasonable accommodation is made on a case-by-case basis and takes into consideration the disability and the needs to the individual as well as the nature of the program or activity in which the individual seeks to participate.

The Notice to Applicants with Disabilities regarding Reasonable Accommodations and Nondiscrimination on the Basis of Disability (included at the end of this policy) will be given to applicants and residents during the admission and occupancy cycle, including but not limited to during the recertification process and upon request. Forms and other documents used for applicants and residents will, to the extent feasible, be written in plain, intelligible language. When appropriate, the Rogersville Housing Authority will provide documents in accessible formats, provide auxiliary aids, or upon request, communicate with a third party designated by the applicant or resident.

Reasonable accommodations are made in response to individual requests from a qualified person with disabilities. Accommodations will be unique to the individual with disabilities; individuals with the same disability may not need, or desire, the same level of accommodation. There is no standard approach. What works for one person may not work for another in the same situation.

The Rogersville Housing Authority will not provide supportive services, e.g., counseling, medical, or social services that fall outside the range of services offered to residents. Further, Rogersville Housing Authority will make modifications in order to enable a qualified applicant/resident with disabilities to live in public housing, if approved.

2.4 DEFINITIONS:

Applicant: A person who successfully follows all the required steps identified by the Rogersville Housing Authority as necessary for becoming a participant in the Public Housing Program.

Assistance/Service Animal: Animals that are used to give assistance to persons with disabilities and are necessary as a reasonable accommodation. Assistance animals are also referred to as service animals, support animals or therapeutic animals.

Major Life Activities: These include caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. This is not an exhaustive list; other life activities can also be major.

Mitigating Circumstances: Situations in which a requested reasonable accommodation enables an applicant or resident to become lease compliant.

Resident: A person who successfully follows all of the required steps identified by the Rogersville Housing Authority as necessary for residing in a dwelling administered under Rogersville Housing Authority's Public Housing Program.

Persons with Disabilities: A person who 1) has a physical or mental impairment that substantially limits one or more major life activities, 2) has a record of such impairment, or 3) is regarded as having such impairment.

Physical or Mental Impairment: A variety of conditions, diseases, illnesses, disfigurements and disorders including hearing/orthopedic/visual/speech impairments, alcoholism, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance) cerebral palsy, cancer, or HIV infection, if the impairment substantially limits one or more major life activities.

Reasonable Accommodation: A change, adaptation or modification to a policy, program, service, or workplace, which will allow a qualified person with a disability to participate fully in a program, take advantage of a service, or perform a job. Reasonable accommodations may include, for example those, which are necessary in order for the person with a disability to use and enjoy his or her dwelling, including public and common use spaces.

Verification source: a qualified professional (not necessarily a physician) having knowledge of a person's disability who can verify the person's disability and need for a reasonable accommodation.

2.5 AUXILIARY AIDS AND EXAMPLES OF REASONABLE ACCOMMODATIONS

To facilitate communication with persons with disabilities, the Rogersville Housing Authority shall furnish appropriate auxiliary aids. "Auxiliary aids" means services or devices that enable persons with impaired sensory, manual or oral skills to have an equal opportunity to participate in, and enjoy, the benefits of programs and activities. However, the Rogersville Housing Authority is not required to provide individually prescribed devices, such as readers for personal use or study, personal hearing aids, walkers, canes, wheelchairs, or other devices of a personal nature. In determining what auxiliary aids are necessary, the Rogersville Housing Authority shall give primary consideration to request(s) of the individual with disabilities.

Types of auxiliary aids and reasonable accommodations that the Rogersville Housing Authority, when necessary and appropriate, readily supplies to applicants and residents include but are not limited to:

- A. Making a unit, part of a unit or public and common use element accessible for the head of household or a household member with a disability who is on the lease;
- B. Permitting a family to have a service or assistance animal necessary to assist a family member with a disability;
- C. Allowing a live-in aid to reside in a Rogersville Housing Authority unit;
- D. Transferring a resident to a larger size unit to provide a separate bedroom for a person with a disability;
- E. Transferring a resident to a unit on a lower level or a unit that is completely on one level;

- F. Installing strobe type flashing lights and other such equipment for a family member with a hearing impairment;
- G. Providing additional explanation of program rules and requirements.
- H. Offering documents, in accessible formats (e.g., larger type or computer disk) and in plain language.
- I. Permitting rent payments and required communications to be mailed rather than delivered in person.
- J. Providing accessible housing to applicants and residents.
- K. Providing another housing offer if an applicant or resident can demonstrate good cause that the rejection of the initial housing offer, for example, was because of the disability of an applicant or resident's household member.
- L. Providing auxiliary aids, such as pencil and paper for those with speech difficulties, Telecommunication Device for the Deaf (TDD), a qualified sign language interpreter, or a reader when necessary for effective communication between the Rogersville Housing Authority and an applicant or resident.
- M. Sending mail or making phone calls to a person designated as a contact person by the person with disabilities.
- N. Considering the impact of "mitigating circumstances" regarding the rejection of an applicant for housing or when terminating the lease or terminating housing assistance to an applicant or resident.

If the applicant/resident request such consideration or if more information is required, the Rogersville Housing Authority will ask the applicant/resident to verify:

- 1. That the applicant/resident has a disability;
 - 2. That the specific situation (s) that lead to application rejection or lease termination is/are caused by or occurred because of the disability or that the disability substantially contributes to the specific situation(s) that led to applicant rejection or lease /housing assistance termination;
 - 3. That the proposed accommodation can reasonably be expected to prevent the recurrence of the situation(s) that led to application rejection or lease/housing assistance termination.
- O. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was reasonably related to their disability. Decisions will be made on a case-by-case basis, considering whether, because of the person's disability, the person was prevented from responding in time and considering reasons for reinstating of applicants normally allowed for people with disabilities.
 - P.
 - Q. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was failure on the part of the Rogersville Housing Authority to provide effective communication.
 - R. Permitting an outside agency or family member to assist an applicant or resident in meeting screening criteria or meeting essential lease obligations.

Aids, benefits, and services, to be equally effective, are not required to produce identical results for individuals with disabilities and non-disabled persons, but to afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

2.6 ALTERATIONS TO THE PROGRAM OR UNDUE FINANCIAL AND ADMINISTRATIVE BURDEN

The Rogersville Housing Authority will deny reasonable accommodation requests which would require a fundamental alteration in the nature of its programs, services or activities, or which would create an undue financial and administrative burden or which are neither reasonable nor necessary. Determining a request for accommodation to be a fundamental alteration does not eliminate Rogersville Housing Authority's compliance responsibility. If a requested action would result in a fundamental alteration or undue financial and administrative burden, the Rogersville Housing Authority may take another action that would not result in a fundamental alteration

but would nevertheless ensure that the person would have an equal opportunity to receive the program benefits and services. Rogersville Housing Authority's determinations with respect to fundamental alterations will be made on a case-by-case basis.

2.7 ESSENTIAL OBLIGATIONS OF TENANCY

To help identify fundamental operations in the programs, six essential obligations of tenancy are listed below:

- A. To pay rent and other charges under the lease in a timely manner;
- B. To care for and avoid damaging the unit and common areas; to use facilities and equipment in a reasonable way; to create no health or safety hazards and to report maintenance needs;
- C. Not to interfere with the rights and enjoyment of others and not to damage the property of others;
- D. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; not to engage in drug-related criminal activity on or off the premises;
- E. To comply with all applicable U.S. HUD regulations, and Rogersville Housing Authority rules and documents (including the Rogersville Housing Authority Public Housing Lease, Community Policies and ACOP) and to comply with health and safety codes; and
- F. Actions that would change the essential obligations of tenancy;

2.8 TYPES OF ACTIONS CONSIDERED BEING A FUNDAMENTAL ALTERATION

Types of activities that would be considered to be a fundamental alteration to the program include but are not limited to:

- A. Actions that require substantial modifications to, or elimination of, essential lease provisions, community policy provisions, or program eligibility or screening requirements based on the obligations of tenancy (e.g., admission of an unqualified family or family member):
- B. Actions that require the Rogersville Housing Authority to add supportive services; e.g., counseling, medical, or social services, that fall outside the range of existing services offered by the Rogersville Housing Authority;
- C. Actions that require the Rogersville Housing Authority to offer housing or benefits of a fundamentally different nature from the type of housing or benefits that Rogersville Housing Authority offers; or
- D. Actions that substantially impair the Rogersville Housing Authority's ability to meet its essential obligations as a landlord, as defined in the Rogersville Housing Authority's Dwelling Lease. Rogersville Housing Authority obligations under the lease include management, administrative, maintenance, or other services required for the operation of the program or upkeep of the property.

2.9 REASONABLE ACCOMMODATION PROCEDURES

The Rogersville Housing Authority will provide the *"Request for Reasonable Accommodation" Form*, to all applicants, residents or individuals with disabilities who request a reasonable accommodation. The Reasonable Accommodation Request Form includes various forms of reasonable accommodations as well as the general principles of reasonable accommodation.

Individuals must submit their reasonable accommodation requests in writing. If needed as a reasonable accommodation, the Rogersville Housing Authority will assist the individual in completing the Request Form.

- A. During any point in the application process, applicants may make written request using the Request for Reasonable Accommodation Form. Rogersville Housing Authority will provide applicants with appropriate auxiliary aids and services, including qualified sign language interpreters and readers, upon request.

- B. Rogersville Housing Authority will provide all residents with the Request for Reasonable Accommodation form during the annual re-certification upon request. The Rogersville Housing Authority will provide the Request for Reasonable Accommodation Form in an alternate form, upon request.
- C. Residents seeking accommodation (s) may contact the Property Manager at the office at 902 Locust Street, Rogersville, TN.
- D. Within ten (10) business days of receipt, the Property Manager will respond to the Resident's Request.
- E. If additional information or documentation is required, the Property Manager will notify the resident, in writing, of the need for the additional information or documentation. The written notification should provide the resident with a reply date for submission of the outstanding information or documentation.
- F. Within ten (10) business days of receipt of the request and, if necessary, all supporting documentation, Rogersville Housing Authority will provide written notification to the resident, of its decision to approve or deny the residents request(s). Upon request, the written notification will be provided in an alternate format.
- G. If Rogersville Housing Authority approves the accommodation request (s), the resident will be notified of the projected date for implementation.
- H. If the accommodation is denied, the resident will be notified of the reasons for denial. In addition, the notification of the denial will also provide the resident with the information regarding Rogersville Housing Authority's Grievance Procedures.
- I. All requests for reasonable accommodations that are approved by the Property Manager will be promptly implemented or begin the process of implementation.

2.10 VERIFICATION OF REASONABLE ACCOMMODATION REQUEST

Rogersville Housing Authority will request documentation of the need for a Reasonable Accommodation as identified on the Reasonable Accommodation Request Form. In addition, Rogersville Housing Authority may request that the individual provide other documentation of needed reasonable accommodations.

The Rogersville Housing Authority will verify a person's disability only to the extent necessary to ensure that individuals who have requested a reasonable accommodation have a disability-based need for the requested accommodation, and that the requested accommodation would (or will) provide the applicant or resident with an equal opportunity to use and enjoy the housing programs.

The following may provide verification of a resident's disability and the need for the requested accommodation (s):

- A. Physician;
- B. Licensed health professional;
- C. Professional representing a social service agency; or
- D. Disability agency or clinic.

2.11 DENIAL OF REASONABLE ACCOMMODATION REQUESTS(S)

Requested accommodations will not be approved if one of the following would occur as a result:

- A. A violation of Local, State and/or Federal law;
- B. A fundamental alteration in the nature of the Rogersville Housing Authority public housing program;
- C. An undue financial and administrative burden on Rogersville Housing Authority;
- D. A structurally infeasible alteration; or
- E. An alteration requiring the removal or alteration of a load-bearing structural member;

2.12 TRANSFER AS REASONABLE ACCOMMODATION

The reasonable accommodation policies mentioned throughout this document apply to transfers based on a request for reasonable accommodation. Transfers based on a request for reasonable accommodation in Public Housing programs shall be documented in the same manner (as indicated throughout this policy) as other reasonable accommodation requests are documented (e.g. a Reasonable Accommodation Request form must be filled out).

The Rogersville Housing Authority shall not require, or recommend as an alternative that a resident with a disability must accept a transfer instead of providing some other reasonable accommodation. However if a public housing resident with disability requests dwelling unit modifications that involve structural changes, including, but not limited to widening entrances, rooms, or hallways, and there is a vacant, comparable, appropriately-sized unit in the resident's development, an adjacent development or a development to which the resident has expressed a willingness to move, or any other property owned by the Rogersville Housing Authority, the Rogersville Housing Authority may offer to transfer the resident to the vacant unit. However, if that resident rejects the offered transfer, the Rogersville Housing Authority shall make modifications to the resident's unit unless doing so would be structurally impracticable or would result in an undue financial and administrative burden or would result in a fundamental alteration to a Rogersville Housing Authority program, service or activity. The Rogersville Housing Authority shall inform applicants and residents whether their transfers, structural modifications, and all other reasonable accommodations are granted by means of an Approval/Denial of Reasonable Request letter.

If the resident accepts the transfer, the resident will be responsible for all moving expenses. The Rogersville Housing Authority may work with the resident to obtain moving expenses from a social service agency or other similar source.

Refusal of Transfer for Reasonable Accommodations: When the Rogersville Housing Authority determines that a Reasonable Accommodation transfer request is appropriate for a disabled resident as provided in its Reasonable Accommodation Policy, the Rogersville Housing Authority will offer one suitable unit to the resident. If the resident refuses the unit, and the Rogersville Housing Authority determines that the refusal is not due to the disability, the Rogersville Housing Authority will cancel the transfer, and the resident will be required to sign a waiver refusing the transfer.

2.13 RIGHT TO APPEAL/GRIEVANCE PROCESS

The Rogersville Housing Authority applicant or resident may file a complaint in writing in accordance with the Rogersville Housing Authority's Grievance Procedure following a formal determination by the Rogersville Housing Authority's Property Manager.

An applicant or resident may, at any time, exercise their right to appeal the Rogersville Housing Authority's decision through the local HUD Field office or the U. S. Department of Justice.

2.14 DISCONTINUATION OF REASONABLE ACCOMMODATIONS

The Rogersville Housing Authority will not change or discontinue a reasonable accommodation, or a particular method of providing such accommodations, without giving notice. Notice of the change or discontinuation of a reasonable accommodation will be given to the applicant or resident with disabilities and it will include a request for the resident to indicate if the change would not meet his or her needs, and notification that the resident has the right to appeal the decision to change or discontinue the accommodation.

2.15 REASONABLE ACCOMMODATIONS FOR A LIVE-IN AIDE

A live-in aide is a person eighteen (18) years of age or older who resides with one or more elderly (at least sixty-two (62) years of age), near-elderly (at least fifty (50) years of age but below sixty-two (62) years of age), or disabled (see the definition of a person with disabilities) person (s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary support services.

The Rogersville Housing Authority will consider approval of a request for a live-in aide as a reasonable accommodation, upon completion of the "*Request for a Live-In Aide*" form, that an elderly, near elderly or disabled person requires the services of a live-in aide. However, certain rules apply but are not limited to:

The income of the live-in aide is not considered towards the calculation of the family's annual income.

The live-in aide may live in the unit solely to care for the disabled family member and qualifies for occupancy as long as the individual requires the supportive services. The Rogersville Housing Authority shall deny occupancy of the unit to the live-in aide after the disabled resident for whatever reason, no longer resides in the unit.

A relative may be considered as a live-in aide, but must meet all the criteria and be qualified to provide the care for the family member. The head of household and/or tenant and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not qualify for continued occupancy as a remaining family member by signing the *Live-In Aide Agreement* (which shall become an addendum to the tenant's/resident's lease).

Under extraordinary circumstances, upon approval by the Property Manager, relatives satisfying the definition of a live-in aide wanting to have remaining family status may be added to the family composition as a family member and not as a live-in aide. In such cases, the relative's income will be considered in the family's annual income.

An eligible live-in aide may be granted up to one (1) additional bedroom if approved as a reasonable accommodation, if one is available. The live-in aid may have an approved family member (s) live with him/her in the unit, as long as housing quality standards (HQS) are not violated and there are no more than two people per bedroom or living/sleeping space (PIH Notice 2010-54). If additional family members result in violation of HQS, or do not meet the eligibility requirements set forth below, this specific live-in aide may not be approved. No additional bedrooms will be provided to accommodate the live-in aide's family members.

The live-in aide (and family members) must provide the following documents as part of the admission criteria.

- A. Proof of Identity
- B. Verification of birth date
- C. A Social Security Number
- D. Other documents as may be required by the U.S. Dept of HUD.

Additionally, the live-in aide (and any family members) will be asked to sign forms which includes but not limited to the following:

- A. Live-In Aide Request for Verification
- B. Authorization for the Release of Information/Privacy Act Notice (Form HUD-9886)
- C. Debts Owed to Public Housing Agencies and Terminations (Form HUD-5267)
- D. What you Should Know About EIV (Form by HUD)
- E. Live-In Aide Agreement

The Rogersville Housing Authority will verify information of the live-in aide (and any family members) through EIV for debt owed to another housing authority or program, or whether a prior termination has been cleared.

Requests for live-in aides are subject to the foregoing policies. The two forms discussed below will be used for verification purposes of requesting a live-in aide as reasonable accommodations.

- A. The *Live-in Aide Reasonable Request for Accommodation* is the form on which:
 - 1. The head of household shall request in writing the live-in aide. The requestor may make this request for him or herself, or for a household member.
 - 2. The requestor provides the Property Manager with information related to the request and the live-in aide.
- B. The *Live-in Aide Request for Verification* is the form on which:

1. The verification source verifies that the person for whom the live-in Aide is being requested, qualifies for, and requires, the live-in aide. The verification source must also verify that the live-in aide is qualified to provide the appropriate services to the household member.
2. The requestor shall provide the Property Manager with the name and contact information of the verification source from whom the requestor is obtaining verifications and other information essential for obtaining a live-in aide.

The Property Manager faxes the *Live-in Aide Request for Verification* form to the verification source to help ensure the form is filled out by the designated verification source.

After the live-in aide is verified and approved, he/she along with the Head of Household, tenant/resident requesting Reasonable Accommodation for a Live-In Aide will be required to sign the *Live-In Aide Agreement*. The Head of Household, tenant/resident and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not qualify for continued occupancy as a remaining family member by signing the *Live-in Aide Agreement* (which shall become an addendum to the Head of Household and/or tenant's/resident's lease).

When the tenant/resident receiving the reasonable accommodation dies, the approved live-in aide is not entitled or eligible for continued occupancy and must vacate and remove their belongings within fourteen (14) days as per Rogersville Housing Authority ACOP policies and the *Live-In Aide Agreement*.

The Rogersville Housing Authority may deny the live-in aide request of a person who does not meet the admission criteria described in the ACOP. The process, by which applicants and residents may appeal a denial of a live-in aide request, or any other adverse decisions related to disabilities, is described in the Grievances Appeals Policy.

2.16 REASONABLE ACCOMMODATIONS FOR ASSISTANCE ANIMALS

a. Background

An assistance animal is one that assists or benefits a person with a disability by allowing him or her equal opportunity to use and enjoy his or her dwelling. Assistance animals are animals that work, provide assistance or perform tasks for the benefit of a person with disability, or animals that provide emotional support that alleviates one or more identified symptoms or effects of a person's disability. Assistance animals often referred to as "service animals", "assistive animals", "support animals", or "therapy animals" perform many disability-related functions, including but not limited to the following:

- A. Guiding individuals who are blind or have low vision;
- B. Alerting individuals who are deaf or hearing impaired;
- C. Providing minimal protection or rescue assistance;
- D. Pulling a wheelchair;
- E. Fetching items;
- F. Alerting persons to impending seizures; or
- G. Providing emotional support to persons with disabilities who have a disability related need for such support.

An assistance animal does not have to be certified by a state or local government or a training program.

b. Assistance Animal Rights of Rogersville Housing Authority Applicant/Tenants

The Rogersville Housing Authority applicants/tenants with disabilities may request an animal, as a reasonable accommodation, that performs tasks for the benefit of that person or otherwise alleviates one or more identified symptoms or effects of a person's disability. In order to provide the best service, the following guidelines have been adopted.

Accordingly, persons who are seeking a reasonable accommodation for an emotional support animal will be required to provide documentation from a physician, psychiatrist, social worker, or other mental health professional that the animal provides support that alleviates at least one of the identified symptoms or effects of the existing disability. In addition, the PHA is not required to provide any reasonable accommodation that would pose a direct threat to the health or safety of others. Thus, if the particular animal requested by the individual with a disability has a history of dangerous behavior, the animal will not be accepted into housing. Moreover, the PHA is not required to make a reasonable accommodation if the presence of the assistance animal would (1) result in substantial physical damage to the property of others unless the threat can be eliminated or significantly reduced by a reasonable accommodation; (2) pose an undue financial and administrative burden; or (3) fundamentally alter the nature of the provider's operations.

c. Request for an Assistance Animal Accommodation

Tenants/Applicants are required to make assistance animal requests in writing (the *Request for Assistance Animal Accommodation*) to have an assistance animal as an accommodation for the tenant's/applicant's disability.

The tenant/applicant must provide verification that they have a disability under equal housing opportunity laws, and that the accommodation is necessary to give the person equal opportunity to use and enjoy public housing. The tenant/applicant is not required to disclose medical records, or the nature of the disability.

The tenant's/applicant's healthcare provider must verify the evidence of a disability-related reasonable accommodation request by verifying the following questions. (*Medical Verification Form for Service & Emotional Support Animals*).

- ❖ Is the tenant/applicant a "person with a disability" as defined by federal regulations?
- ❖ In the health care provider's professional opinion, does the person need the requested accommodation to have the same opportunity as a non-disabled person to use and enjoy public housing?

d. Assistance Animal Accommodation

The Rogersville Housing Authority will review the tenant's/applicants request for an assistance animal accommodation. Upon verification from the tenant's/applicant's healthcare provider of a need for disability-related assistance or benefit, the Rogersville Housing Authority will take into consideration the reasonableness of the request and provide the tenant/applicant a response within 10 days of receipt.

Prior to housing any assistance animal on the premises, the resident will be required to sign the *Assistance Animal Agreement* and will be required to provide the following information:

1. Evidence that the assistance animal has received current vaccinations, micro chipping and proof of license by the appropriate authority and must be provided annually.
2. Evidence that the assistance animal has been spayed or neutered.
3. Photo must be obtained by Rogersville Housing Authority staff at Agreement signing.

Assistance Animals may be any type of animal and any breed, size or weight. The Rogersville Housing Authority may disapprove any vicious animals that pose a direct threat which cannot be eliminated or sufficiently reduced by a reasonable accommodation. Examples of animals that display a vicious behavior: Rottweiler, Doberman Pincher, Pit Bulldog, Chows. These will be reviewed on a case-by-case basis.

The tenant/resident is liable for any damage the assistance animal causes.

Owners of assistance animals are expected to exercise responsible and courteous behavior so that the presence of their animal on the property does not violate the rights of others to the peaceful enjoyment of the premises.

The Rogersville Housing Authority may enter a dwelling if reports of an assistance animal being unattended for a period of over twenty-four (24) hours are brought to its attention. The Rogersville Housing Authority may request that the animal be removed in those cases where the owner is unable to provide care.

The Rogersville Housing Authority may impose limitations if it can be demonstrated that an individual's request for reasonable accommodations exceeds what is necessary for the tenant to have full use and enjoyment of the premises or if this would violate local animal control ordinances.

Individuals with assistance animals are solely responsible for the conduct of their assistance animals and the Housing Authority may insist that an assistance animal be prevented from repeated noise that disturbs neighbors or other unreasonable interference with the rights of others.

Assistance animals that are a direct threat to others (biting, etc.) or otherwise violate animal control laws will be reported to the local animal control agency.

If there have been three (3) violations of the Assistance Animal Policy or a single serious violation, the housing authority may inform the tenant that procedures will be initiated to revoke the Assistance Animal Agreement. Failure to comply with the Assistance Animal Policy may result in termination of the Residential Lease Agreement. The Rogersville Housing Authority will first attempt resolution of the problem before termination proceedings are initiated.

e. Removal of an Assistance Animal

When an assistance animal is unruly or disruptive (jumping on people, biting, scratching, or other harmful behavior), the Rogersville Housing Authority may ask the tenant to remove the animal from the area. If the improper behavior happens repeatedly, the housing authority may request that the tenant not bring the animal into any area of the property except the tenant's unit, until significant steps have been taken to mitigate the behavior. Mitigation may include training for both the animal and the tenant at the owner's expense.

Excessive noise, unsanitary conditions, or threatening behavior on the part of the animal would provide a basis for the housing authority to require the animal to be removed from the rental unit.

f. Areas Off Limits to Assistance Animals

The Rogersville Housing Authority may designate certain areas off limits to assistance animals. This limitation will be implemented when the assistance animal's presence creates a significant health or safety hazard.

g. Supervision

The assistance animal **must be supervised and the tenant/handler must retain full control of the animal at all times.**

The assistance animal **must remain within the unit and not be allowed outside, unattended, at any time.**

The assistance animal **must be prevented from digging, gnawing, chewing, scratching or otherwise defacing doors, walls, windows, floor coverings, other units, common areas, buildings, landscaping. The tenant is fully responsible for any damage caused by the assistance animal.**

The assistance animal may accompany the tenant at all times on the property unless it is an area where animals are specifically prohibited.

The assistance animal **must be** restrained at all times unless the disability prohibits the tenant from restraining the animal. In these circumstances, the resident may contact the Rogersville Housing Authority in order to arrange an alternative accommodation.

Tenants must board their assistance animal away from the development or make other arrangements for the care of the assistance animal when they intend to leave their unit for 24 hours or more. The Assistance Animal Agreement requires tenants to provide the housing authority with the name and

phone number of a relative or friend who has agreed to assume responsibility for the assistance animal in the event of sudden death of the tenant.

The Rogersville Housing Authority reserves the right to consider the presence of an unattended assistance animal an emergency, and will enter the unit to remove the assistance animal.

The Rogersville Housing Authority staff, including maintenance personnel, reserve the right to refuse to enter a unit to perform work where an assistance animal is exhibiting threatening behavior.

h. Clean-up Rule

The tenant must immediately remove the animal's waste from any public or private property. The tenant must always carry equipment sufficient to clean up the animal's feces whenever the assistance animal is on or off RHA property. The tenant must properly dispose of waste and/or litter. It is the tenant's responsibility to clean up after the assistance animal, including maintaining the cleanliness of the dwelling unit.

i. Allowable Assistance Animal Expenses

During the annual certification process, tenant may present allowable assistance animal expenses. Allowable expenses will be treated under the "Medical Deductions" section and include:

- ❖ Cost of veterinarian visits for the assistance animal;
- ❖ Cost of special equipment for assistance animal;
- ❖ Cost of medication for assistance animal;
- ❖ Cost of training;

2.17 APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION

RHA will approve a request for an accommodation if the following three conditions are met.

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA's operations.

Requests for accommodations are assessed on a case-by-case basis. After a request for an accommodation is made, RHA may request for additional information from the resident family to aide in determining the need for the requested accommodation.

RHA housing authority will respond, in writing, to the request for accommodations within 10 business days.

If RHA denies a request for an accommodation, the resident family can appeal the decision through the grievance process.

Definition of Disability and of a Service & Emotional Support Animal

In Federal civil rights laws, **the definition of disability** includes:

..with respect to a person, a physical or mental impairment which substantially limits one or more major life activities; a record of such an impairment; or being regarded as having such an impairment. . .

"...physical or mental impairment includes: (1) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitor urinary; "hemic and lymphatic; skin; and endocrine; or (2) any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or--mental; illness, and specific learning disabilities.

The term 'physical or mental impairment' includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, Human Immunodeficiency Virus infection, mental retardation, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), and alcoholism."

Definition of an Assistance (Service) animal (*FHEO Notice: FHEO-2013-011*):

An assistance animal is not a pet. It is an animal that works, provides assistance, or performs tasks for the benefit of a person with a disability, or provides emotional support that alleviates one or more identified symptoms or effects of a person's disability. Assistance animals perform many disability-related functions, including but not limited to, guiding individuals who are blind or have low vision, alerting individuals who are deaf or hard of hearing to sounds, providing protection or rescue assistance, pulling a wheelchair, fetching items, alerting persons to impending seizures, or providing emotional support to persons with disabilities who have a disability-related need for such support.

(1) Does the person seeking to use and live with the animal have a disability — *i.e.*, a physical or mental impairment that substantially limits one or more major life activities?

(2) Does the person making the request have a disability-related need for an assistance animal? In other words, does the animal work, provide assistance, perform tasks or services for the benefit of a person with a disability, or provide emotional support that alleviates one or more of the identified symptoms or effects of a person's existing disability?

If the answer to question (1) **or** (2) is "no," then the FHAct and Section 504 do not require a modification to a provider's "no pets" policy, and the reasonable accommodation request may be denied.

ROGERSVILLE HOUSING AUTHORITY ASSISTANCE ANIMAL POLICY (Handout for Approved Assistance Animals)

Assistance Animal Accommodation

The Rogersville Housing Authority will review the tenant's/applicant's request for an assistance animal accommodation. Upon verification from the tenant's/applicant's healthcare provider or some other satisfactory evidence of disability-related assistance or benefit, the Rogersville Housing Authority will take into consideration the reasonableness of the request and provide the tenant/applicant a response within 10 days of receipt.

Prior to housing any assistance animal on the premises, the resident will be required to sign the (*Assistance Animal Agreement*) and will be required to provide the following information:

1. Evidence that the assistance animal has received current vaccinations, micro chipping and proof of license by the appropriate authority. (This must be renewed annually)
2. Evidence that the assistance animal has been spayed or neutered.
3. Photo must be obtained by Rogersville Housing Authority staff at Agreement signing.

Assistance Animals may be any type of animal and any breed, size or weight, may involve more than one service animal. The Rogersville Housing Authority may disapprove of any vicious animals that pose a direct threat which cannot be eliminated or sufficiently reduced by a reasonable accommodation. These will be reviewed on a case-by-case basis.

The tenant/resident is liable for any damage the assistance animal causes.

Owners of assistance animals are expected to exercise responsible and courteous behavior so that the presence of their animal on the property does not violate the rights of others to the peaceful enjoyment of the premises.

The Rogersville Housing Authority may enter a dwelling if reports of an assistance animal being unattended for a period of over twenty-four (24) hours are brought to its attention. The Rogersville Housing Authority may request that the animal be removed in those cases where the owner is unable to provide care.

The Rogersville Housing Authority may impose limitations if it can be demonstrated that an individual's request for reasonable accommodations exceeds what is necessary for the tenant to have full use and enjoyment of the premises or if this would violate local animal control ordinances.

Individuals with assistance animals are solely responsible for the conduct of their assistance animals and the Housing Authority may insist that an assistance animal be prevented from repeated noise that disturbs neighbors or other unreasonable interference with the rights of others.

Assistance animals that are a direct threat to others (biting, etc.) or otherwise violate animal control laws will be reported to the local animal control agency.

If there have been three (3) violations of the Assistance Animal Policy or a single serious violation, the housing authority may inform the tenant that procedures will be initiated to revoke the Assistance Animal Agreement. Failure to comply with the Assistance Animal Policy may result in termination of the Residential Lease Agreement. The Housing Authority will first attempt resolution of the problem before termination proceedings are initiated.

Removal of an Assistance Animal

When an assistance animal is unruly or disruptive (jumping on people, biting, scratching, or other harmful behavior), the Rogersville Housing Authority may ask the tenant to remove the animal from the area. If the improper behavior happens repeatedly, the housing authority may request that the tenant not bring the animal into any area of the property except the tenant's unit, until significant steps have been taken to mitigate the behavior. Mitigation may include training for both the animal and the tenant at owner's expense.

Excessive noise, unsanitary conditions, or threatening behavior on the part of the animal would provide a basis for the housing authority to require the animal to be removed from the rental unit.

Areas Off Limits to Assistance Animals

The Rogersville Housing Authority may designate certain areas off limits to assistance animals. This limitation will be implemented when the assistance animal's presence creates a significant health or safety hazard.

Supervision

The assistance animal **must be supervised and the tenant/handler must retain full control of the animal at all times.**

The assistance animal **must remain within the unit and not be allowed outside, unattended, at any time.**

The assistance animal **must be prevented from digging, gnawing, chewing, scratching or otherwise defacing doors, walls, windows, floor coverings, other units, common areas, buildings, landscaping. The tenant is fully responsible for any damage caused by the assistance animal.**

The assistance animal may accompany the tenant at all times on the property unless it is an area where animals are specifically prohibited.

The assistance animal **must be restrained** at all times unless the disability prohibits the tenant from restraining the animal. In these circumstances, the resident may contact the Rogersville Housing Authority in order to arrange an alternative accommodation.

Tenants must board their assistance animal away from the development or make other arrangements for the care of the assistance animal when they intend to leave their unit for 24 hours or more. The Assistance Animal Agreement requires tenants to provide the housing authority with the name and phone number of a relative or friend who has agreed to assume responsibility for the assistance animal in the event of sudden death of the tenant.

The Rogersville Housing Authority reserves the right to consider the presence of an unattended assistance animal an emergency, and will enter the unit to remove the assistance animal.

The Rogersville Housing Authority staff, including maintenance personnel, reserve the right to refuse to enter a unit to perform work where an assistance animal is exhibiting threatening behavior.

Clean-up Rule

The tenant must immediately remove the animal's waste from any public or private property. The tenant must always carry equipment sufficient to clean up the animal's feces whenever the assistance animal is on or off RHA property. The tenant must properly dispose of waste and/or litter. It is the tenant's responsibility to clean up after the assistance animal, including maintaining the cleanliness of the dwelling unit.

Allowable Assistance Animal Expenses

During the annual certification process, tenant may present allowable assistance animal expenses. Allowable expenses will be treated under the "Medical Deductions" section and include:

- ❖ Cost of veterinarian visits for the assistance animal;
- ❖ Cost of special equipment for assistance animal;
- ❖ Cost of medication for assistance animal;
- ❖ Cost of training;

Background

On January 22, 2007, HUD published proposed guidance to help recipients of federal financial assistance take reasonable steps to meet their regulatory and statutory obligations to ensure that Limited English Proficient (LEP) persons have meaningful access to HUD programs and activities.

Under Title VI of the Civil Rights Act of 1964 and its implementing regulations, recipients of federal financial assistance have a responsibility to ensure meaningful access to programs and activities by LEP persons.

Limited English Proficient Individuals:

Persons who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English can be Limited English Proficient and may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

Limited English Proficient (LEP) families may encounter a barrier to understanding and accessing services provided by the Rogersville Housing Authority. The RHA will take steps to communicate with LEP families who need services or information in a language other than English. The Rogersville Housing Authority will follow the plan and policy to accommodate LEP families. If an applicant or resident appears to be having difficulties in understanding and/or communicating with the RHA, RHA will follow their LEP policies and plan.

3.1 Determining the extent LEP services are needed

The Rogersville Housing Authority will take reasonable steps to ensure meaningful access to its programs and activities by LEP persons.

RHA will apply the four-factor analysis to the various kinds of contacts encountered with the public to assess language needs and decide what reasonable steps RHA could take to ensure access for LEP persons.

A. Determine the number or proportion of LEP individuals in the eligible service population.

The Rogersville Housing Authority will identify the number or proportion of LEP persons from a particular language group served or encountered in the eligible service population. Ordinarily, persons "eligible to be served", or "likely to be directly affected by" the Rogersville Housing Authority's programs or activities are those who are served or encountered in the eligible service population. This population is program-specific, and includes persons who are in the geographic area that have been approved by HUD or defined by state or local law or regulation as the recipient's jurisdiction or service area.

The Rogersville Housing Authority will first examine its prior experiences with LEP encounters and determine the breadth and scope of language services that are needed. In conducting this analysis; c the Rogersville Housing Authority will consider language minority populations that are eligible for their programs or activities, but may be underserved because of existing language barriers. Other data that may be consulted to refine or validate the Rogersville Housing Authority's prior experience, including the latest census data for the area served, data from school systems and from community organizations, and data from state and local governments. The focus of the analysis will be on the lack of English proficiency, not the ability to speak more than one language.

Community agencies, school systems, grassroots and faith-based organizations, legal aid entities, and others may be contacted to assist in identifying populations for whom outreach

is needed and who would benefit from the Rogersville Housing Authority's programs and activities if language services were provided.

B. The frequency LEP individuals come in contact with the RHA's programs.

The Rogersville Housing Authority will assess, as accurately as possible, the frequency with which they have or should have contact with an LEP individual from different language groups seeking assistance. The more frequent the contact with a particular language group, the more likely the need for enhanced language services in that language. In conducting this review, the Rogersville Housing Authority will consider whether appropriate outreach to LEP persons could increase the frequency of contact with LEP language groups.

C. The nature and importance of the program, activity, or service provided by HUD to LEP individuals.

The Rogersville Housing Authority will attempt to determine whether denial or delay of access to services or information could have serious or even life-threatening implications for the LEP individual. In determining the nature and importance of its program(s), the Rogersville Housing Authority will consider such factors as decisions by HUD, another federal, state, or local entity, or the Rogersville Housing Authority to make a specific activity compulsory in order to participate in the program, such as filling out particular forms, participating in administrative hearings, or other activities.

D. Determine the resources available to assist LEP individuals.

The Rogersville Housing Authority will explore the most cost-effective means of delivering competent and accurate language services before limiting services due to resource concerns. If determined appropriate, the Rogersville Housing Authority will document in some reasonable manner, its process for determining that language services will be limited based on resources or costs.

3.2 Translation – Oral and Written

Where the Rogersville Housing Authority determines that interpretation is needed and is a reasonable service to provide, the Rogersville Housing Authority will consider some or all of the following options for providing competent interpretation services in a timely manner:

Competence of Interpreters

When using interpreters, the Rogersville Housing Authority will attempt to ensure that they:

1. Demonstrate proficiency in and ability to communicate information accurately in both English and in the target language and identify and employ the appropriate mode of interpreting (e.g., consecutive, simultaneous, summarization, or sight translation);
2. Have knowledge in both languages of any specialized terms or concepts peculiar to the Rogersville Housing Authority's programs or activities and of any particularized vocabulary and phraseology used by the LEP person; and
3. Understand and follow confidentiality and impartiality rules to the same extent the Rogersville Housing Authority employee for whom they are interpreting and/or to the extent their position requires, and understand and adhere to their role as interpreters without deviating into a role as counselor, legal advisor, or other roles (particularly in court, administrative hearings, or law enforcement contexts).

Hiring Bilingual Staff

If particular languages are encountered often, the Rogersville Housing Authority will consider hiring bilingual staff to fill public contact positions (such as persons who take applications) with staff who are bilingual and are competent with communicating directly with LEP persons in the LEP persons' own language.

Hiring Staff Interpreters

Hiring interpreters may be considered where there is a frequent need for interpreting services in one or more languages. Depending on the facts, it may be determined necessary to provide on-site interpreters to provide accurate and meaningful communication with an LEP person.

Contracting for Interpreters

Contract interpreters may be considered when there is not a regular need for a particular language skill. If appropriate, the Rogersville Housing Authority may seek these services from community-based organizations or other mutual assistance associations.

Using Telephone Interpreter Lines

If determined appropriate and available telephone interpreter service lines will be considered.

Using Community Volunteers

If determined appropriate and available, the Rogersville Housing Authority will consider community volunteers and working with community-based organizations to provide supplemental language assistance. They may be particularly useful in providing language access for the Rogersville Housing Authority's less critical programs and activities.

Use of Family Members or Friends as Interpreters

Where LEP persons so desire, they will be permitted to use, at their own expense, an interpreter of their own choosing (whether a professional interpreter, family member, or friend) in place of, or as a supplement to, the free language services that may be offered by the Rogersville Housing Authority.

Written Language Services (Translation)

Where the Rogersville Housing Authority determines that interpretation is needed and is a reasonable service to provide, the appropriate documents will be translated into the appropriate target language(s).

What Documents will be Translated?

After applying the four-factor analysis, the Rogersville Housing Authority may determine that an effective Language Assistance Plan (LAP) for its particular program or activity may include the translation of vital, or generic widely used written materials into the language of each frequently encountered LEP group eligible to be served and/or likely to be affected by the recipient's program.

Such written materials may include, for example:

1. Consent and complaint forms;

2. Intake forms with the potential for important consequences;
3. Written notices of rights, denial, loss, or decreases in benefits or services, and other hearings;
4. Notices of eviction;
5. Notices advising LEP persons of free language assistance;
6. Notices of resident meetings and public hearings;
7. Leases and tenant rules; and/or
8. Applications to participate in a recipient's program or activity or to receive recipient benefits or services.

Languages Translations for Documents

The extent of the Rogersville Housing Authority's obligation to provide written translations of documents will be determined by the Rogersville Housing Authority on a case-by-case basis, looking at the totality of the circumstances in light of the four-factor analysis.

Minimum Standards

The following will serve as a guide in the Rogersville Housing Authority's decision to provide document translation for a specific target language:

1. The Rogersville Housing Authority will generally provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, will be provided orally; or
2. If there are fewer than 50 persons in a language group that reaches the 5 percent trigger in (1) above, the Rogersville Housing Authority will not translate vital written materials but instead will provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

Competence of Translators

The Rogersville Housing Authority will make reasonable efforts to ensure that translators of written documents are competent. Where available, the Rogersville Housing Authority will utilize the services of certified translators.

Elements of the Language Assistance Plan

After completing the four-factor analysis and deciding what language assistance services are appropriate, the Rogersville Housing Authority will develop an implementation plan to address the identified needs of the LEP population it serves. The following five components will be included in the Language Assistance Plan:

1. Identifying LEP Individuals Who Need Language Assistance

One of the ways the Rogersville Housing Authority may use to determine the language of communication is to use language identification cards (or "I speak" cards), which invite LEP persons to identify their language needs to staff. The Census Bureau "I speak" card can be found and downloaded at <http://www.dss.cahwnet.gov/civilrights/PG584.htm>

The Rogersville Housing Authority may review demographic data for its jurisdiction from the most recent U.S. Census or update, where available, to determine if it is necessary to provide written

2. Language Assistance Measures

The Language Assistance Plan will include information about the ways in which language assistance will be provided. For instance, the Rogersville Housing Authority may include information on the following:

1. Types of language services available;
2. How staff can obtain those services;
3. How to respond to LEP callers;
4. How to respond to written communications from LEP persons;
5. How to respond to LEP persons who have in-person contact with recipient staff; and
6. How to ensure competency of interpreters and translation services

3. Training Staff

If appropriate, the LAP may include training to ensure that:

1. Staff knows about LEP policies and procedures; and
2. Staff having contact with the public is trained to work effectively with in-person and telephone interpreters.

4. Providing Notices to LEP Persons

Once the Rogersville Housing Authority has decided, based on the four-factor analysis, that it will provide language services, it will notify LEP persons that those services are available and that they are free of charge. The Rogersville Housing Authority will provide this notice in a language that LEP persons will understand. Types of notification that the Rogersville Housing Authority will consider include:

1. Posting signs in common areas, offices, and anywhere applications are taken;
2. Stating in outreach documents that language services are available from the Rogersville Housing Authority;
3. Working with grassroots and faith-based community organizations and other stakeholders to inform LEP individuals of the Rogersville Housing Authority's services, including the availability of language assistance services;
4. Using a telephone voice mail menu. The menu would be in the most common languages encountered. It would provide information about available language assistance services and how to get them, including notices in local newspapers in languages other than English;
5. Providing notices on non-English-language radio and television stations about the available language assistance services and how to get them; and,
6. Presentations and / or notices at schools, grassroots, and faith-based organizations.

5. Monitoring and Updating the Language Assistance Plan

Where appropriate, the Rogersville Housing Authority will develop a process for determining, on an ongoing basis, whether new documents, programs, services, and activities need to be made accessible for LEP persons, and the Rogersville Housing Authority may consider whether the changes in demographics, types of services, or other needs require annual reevaluation of their LAP.

In its reviews, the Rogersville Housing Authority may consider assessing changes in:

1. Current LEP populations in the housing jurisdiction geographic area or encountered;
2. Frequency of encounters with LEP language groups;
3. The nature and importance of activities to LEP persons;
4. The availability of resources, including technological advances and sources of additional resources, and the costs imposed;
5. Whether existing assistance is meeting the needs of LEP persons;

6. Whether staff knows and understands the Languages Assistance Plan (LAP) and how to implement it; and,
7. Whether identified sources for assistance are still available and viable.

In addition to these elements, the plan will set clear goals, make management accountable, and provide opportunities for community input and planning throughout the process.

3.3 RHA Limited English Plan

Population Needs and Capacity

RHA will assess the needs of applicants and current residents to determine if the said needs are being met and work to identify RHA's capacity to meet the needs. RHA will use a four-factor analysis to determine the appropriate language assistance services to ensure that LEP families have access to programs and services offered.

In order to determine the level of access needed by LEP persons, the RHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the RHA; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the RHA to LEP families; and (4) the resources available to the RHA and costs. RHA will work to find a good balance of these four factors to ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the RHA.

Oral Interpretation/Language Services

The RHA will utilize the following options to assist in communication with LEP families:

- Language line for telephone interpreter services (TDD# 1-800-877-8339)
- LEP persons may use family members or friends or another interpreter of their choosing at their own expense. They can use these interpreters in place of or as a supplement to the language services provided by the RHA
- Seek out and work with community volunteers and/or community organizations to provide supplemental language assistance.
- When and where feasible, the RHA will consider training staff or hiring bilingual staff, who are competent in communicating in the language needed for LEP individuals in the community.

Written Translation/Language Services

The RHA will provide written translations of vital documents for an eligible LEP family at the request of an applicant or resident. The RHA will utilize available local resources to translate notices and documents into languages other than English. In order to address critical time sensitive documents, RHA may specify a designated interpreter which may be a family member or another representative selected by the resident.

RHA does not have a significant population of LEP families inquiring for services. However, the RHA will utilize contacts at the local school system if further input is needed to address any needs not covered in the plan. When an LEP family is desiring to utilize services, the RHA will provide training to staff about LEP policies and procedures, as well as, how to work effectively with interpreters. RHA will notify LEP families of the LEP services that are available free of charge and by posting a notice in the main office where applications are submitted.

Monitoring and Updating the LEP Plan

Annually, the Rogersville Housing Authority will assess the LEP plan to determine if the demographics have changed and whether services or other needs require updating.

The following items will be considered during the review:

- Current LEP populations in the housing jurisdiction, LEP population affected, or LEP encountered;

- Frequency of encounters with LEP families;
- The nature and importance of activities to LEP families;
- The availability of resources and costs imposed;
- Does existing assistance meeting LEP family needs;
- Knowledge and understanding of LEP Plan by staff;
- Are current sources for assistance available and viable.

Competence of Interpreters

When using interpreters, the Rogersville Housing Authority will attempt to ensure that they:

- Demonstrate proficiency in, and ability to, communicate information accurately, in both English and in the language of the LEP individual/family.
- Have knowledge in both languages of any specialized terms or concepts peculiar to the RHA's programs or activities and of any particularized vocabulary and phraseology used by the LEP person; and
- Understand and follow confidentiality and impartiality rules to the same extent the RHA employee for whom they are interpreting and/or to the extent their position requires, and understand and adhere to their role as interpreters without deviating into a role as counselor, legal advisor, or other roles (particularly in court, administrative hearings, or law enforcement contexts).

4.0 FAMILY OUTREACH

The Rogersville Housing Authority will monitor the characteristics of the population being served as well as the population characteristics as a whole in the RHA service areas. Targeted outreach efforts will be put in place if a comparison suggests that certain populations are being underserved.

RHA will comply with fair housing requirements which include analyzing the housing market area and the populations currently being served to identify underserved populations; ensuring that outreach efforts are targeted to different media outlets that reach eligible populations that are underrepresented in the program; and avoiding outreach efforts that prefer or exclude members of a protected class.

The Rogersville Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, informational flyers, RHA website, and by other suitable means.

To reach people who cannot or do not read the newspapers; the Rogersville Housing Authority may distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Rogersville Housing Authority will also utilize public service announcements, when possible.

The Rogersville Housing Authority will develop partnerships and communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 FAMILY CONSENT TO RELEASE OF INFORMATION (RIGHT TO PRIVACY)

Consent Forms

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to RHA verification of that information. All adult family members must sign consent forms as needed to collect information relevant to the family's eligibility and level of assistance. While RHA must use form HUD-9886-A, this form does not release all the information necessary to the administration of the program. RHA will develop a release form to include all other necessary information.

HUD-9886-A Form

All adult family members, including the head and spouse/cohead regardless of age, required to sign HUD Form 9886-A, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

A new HUD 9886-A form will not be submitted to RHA unless someone 18 years or older becomes a member of the family; a current member of the family turns 18; or as required by HUD or the RHA in administrative instructions.

Family members turning 18 years of age between annual recertifications will be notified in writing that they are required to sign HUD-9886-A, Consent to the Release of Information. Family members that are high school students that turn 18 years of age during the school year will fill out HUD-9886-A within 10 business days after high school graduation.

The RHA may obtain any financial record from any financial institution, as the terms financial record and financial institution are defined in the Right to Financial Privacy Act, whenever RHA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits.

The executed form will remain effective until the family is denied assistance, assistance is terminated, the family provides written notification to the RHA to revoke consent, or 15 months from the date the form is signed.

Any request for applicant or tenant information will not be released unless there is a signed Release of Information request from the applicant or tenant.

Failing to Consent

Any family member that is required to sign a consent form chooses not to do so, the RHA will deny admission to applicants and terminate the lease of residents. The family may choose to request a hearing by following the RHA grievance procedures.

6.0 PROGRAM INTEGRITY (ANTI – FRAUD)

The Rogersville Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Rogersville Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

The Rogersville Housing Authority believes that the majority of families and RHA employees intend to comply with program requirements and will make reasonable efforts to avoid errors. To assist in ensuring that the RHA's program is administered effectively and to high ethical and legal standards, the RHA will employ a variety of strategies to ensure that errors and intentional program abuse are rare.

RHA will attach a copy of "Is Fraud Worth It?" (Form HUD-1141) to every application, which explains actions that are fraudulent and the consequences associated with program abuse.

RHA will provide each applicant and resident with a copy of "What You Should Know about EIV," which is a guide to the Enterprise Income Verification system. The head of household will be required to sign the guide acknowledging receipt of the guide. The signed copy will be included in the family file and the head of household will receive a copy for their records.

RHA will require all prospective residents to participate in an orientation prior to or upon execution of the lease. RHA will discuss expectations and how to be in compliance with the program. The family representative will be required to sign a program orientation form indicating that all rules and appropriate regulations were explained to them.

RHA staff will review and explain all requested forms prior to obtaining the family signatures.

RHA will include a warning statement about the penalties for fraud RHA forms and form letters that request information from a family member.

RHA employees will receive the necessary training on policies and procedures and the RHA's standards of conduct and ethics.

The RHA will explain any changes in HUD regulations or RHA policy that affect residents at every regular reexamination meeting.

More information on the EIV System can be found at this link.

https://www.hud.gov/sites/dfiles/PIH/documents/about_eiv_updated.pdf

6.1 Identifying Errors and Abuse of the Program

RHA will use EIV as well as other methods for income verification.

During annual reexaminations, the RHA will compare current information provided by the family to the previous reexamination to assist in identifying any incomplete information and/or inconsistencies.

RHA will also look at a comparison of family reported income to family expenses to possibly identify any unreported income.

RHA will participate in an independent audit each year. RHA is also periodically audited by HUD. Each audit provides the RHA with any findings of errors and potential cases of abuse of the program.

RHA encourages all staff, residents and community members to report any cases of possible abuses of the program.

6.2 Investigation

RHA will review all reports of impropriety to determine if an investigation is warranted. RHA will investigate allegations that contain verifiable information such as the name of an unauthorized person in the apartment.

During reviews of files and the verification process if any inconsistencies or information that is contradictory is found, the RHA will investigate.

RHA will use any available housing authority documents and public records during an investigation. The resident family in question may be required to sign consent forms for release of any additional information that is needed.

RHA will use the preponderance of the evidence during the investigation to determine the outcome of the investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

RHA will determine if an error or program abuse has occurred, does the resident owe any amount of money, and what needs to take place to correct the issue.

6.3 Corrective Actions

If an error or program abuse is discovered, the issue must be corrected in a timely manner.

RHA will consider the seriousness of the identified error or program abuse, any special circumstances that might have influenced the issue, if the circumstances are related to a disability, and how other family members would be affected.

Within 10 business days, after the completion of the investigation, RHA will provide the family with a written statement of what was discovered and how it will be corrected.

When an error or fraudulent action is discovered, the Rogersville Housing Authority shall take action. RHA will consider the following⁴ actions depending on circumstances and what RHA determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. RHA may offer the resident an option to enter into a satisfactory repayment agreement as set forth in the Rogersville Housing Authority Repayment Agreement Policy.
- C. Deny admission or terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or.
- E. Take such other action as the Rogersville Housing Authority deems appropriate.
- F. RHA will not reimburse for overpayment if the error is caused by the family.
- G. RHA may require the family member that committed fraud not be allowed to reside in the unit as a condition of continued assistance.

Resident Initiated Fraudulent Actions and Program Abuse

False statements made to RHA during the application process or reexamination process

Incomplete or false information provided to RHA

Offering bribes to employees or third-party individuals in an attempt to mislead RHA staff

Falsifying, forging, or altering required documents

Using a false name

Omitting known facts, such as income

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. RHA may determine other actions to be program abuse based on the preponderance of the evidence. The Rogersville Housing Authority shall aggressively attempt to prevent all cases of fraud.

RHA Errors and Program Abuse

While RHA makes every effort to avoid errors and program abuse, there are times that these instances occur. The most common incorrect rental determinations include failing to correctly apply public housing rules regarding family composition, income, assets, and expenses, and errors in calculation.

RHA will reimburse a family for any family overpayment of rent, regardless of whether the overpayment was the result of staff-caused error, staff program abuse, or a de minimis error.

Agreements must not exceed \$1,000 for failure to report an increase in income and full payment must be made within a period not to exceed 10 months. All Repayment Agreements must be in writing and signed by both parties.

Failure to comply with the Repayment Agreement terms will subject the Resident to eviction procedures.

The tenant will remain in good standing with the Rogersville Housing Authority as long as all payments are received in a timely manner. Failure to abide by this Repayment Agreement will result in the unpaid balance being turned over to the Judicial Court System for collection of the total unpaid balance, attorney fees and court costs.

Repayment agreements shall remain in effect and payment shall be made along with any other applicable current monthly rent, utilities and other charges. Payment on tenant account will be first applied to any previous UNPAID amounts then the current utilities, other current charges, current rent and finally the current repayment agreement amount. No repayment agreement amounts will be applied until **ALL CURRENT** charges are paid in full.

No tenant shall add current charges to a previous repayment agreement.

No repayment agreements shall be executed for tenant negligence and abuse to property. All related negligence and abuse to property is to be determined at the discretion of the Rogersville Housing Authority.

Repayment agreements may be executed for rent arrearage only in cases of documented financial hardship by the tenant or for reasonable accommodation purposes.

It should be noted that this Agreement will be in default when One (1) payment is delinquent.

When the Repayment Agreement is in default, no future Repayment Agreement will be made with the same family. When a default of the Repayment Plan occurs, ALL amounts of monies owed are due on the date of the default.

7.0 DOMESTIC VIOLENCE AND VIOLENCE AGAINST WOMEN (VAWA)

Under the Violence Against Women Act (VAWA), the Rogersville Housing Authority is required to implement internal policies to include provisions for the protection of victims of domestic violence, dating violence, sexual assault, sexual battery, stalking, and human trafficking who are applying for or receiving assistance through the public housing program.

RHA will include a one-page summary of the VAWA in all applications. The RHA will make information available to anyone who requests it, including but not limited to HUD 5380, HUD 5382, HUD 5383, a copy of RHA's emergency transfer plan, the National Domestic Violence Hotline 1-800-799-SAFE(7233) or 1-800-787-3224 (TTY) and local victim advocacy groups or service providers.

The Rogersville Housing Authority will notify its applicants and residents about the protections afforded by VAWA. A copy of this policy is available at the office of the Rogersville Housing Authority and will be made available upon request. RHA will review the VAWA during the lease signing and during annual reexaminations. RHA will include the information about VAWA in lease terminations.

If the RHA has reason to believe that someone is a victim, the RHA will attempt to provide the victim with information about VAWA. If RHA suspects that the victim might be put at risk of domestic violence due to providing the information, the RHA will attempt to hand deliver the information to the victim, have the victim come to the RHA office, or meet at another place that the victim feels safe. The RHA will avoid sending the information through the mail if RHA believes that the victim will be in harms way because the perpetrator has access to the victim's mail. RHA will mail the information if it is requested by the victim.

When discussing VAWA with any victim, the RHA will take reasonable precautions to ensure that conversations are confidential so that others may not over hear the conversation.

EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

Rogersville Housing Authority is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act of 1994, as amended (“VAWA”), RHA allows any tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. VAWA protections are not limited to women and are available regardless of age or actual or perceived sexual orientation, gender identity, sex, or marital status. Victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex (including perceived or actual sexual orientation or gender identity), familial status, disability, or age. HUD-assisted and HUD-insured housing must also be made available to all otherwise eligible individuals and families regardless of age, or actual or perceived gender identity, sexual orientation, or marital status.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance regarding safety and security. The plan is based on Federal regulations at 24 Code of Federal Regulations (CFR) part 5, subpart L, related program regulations, and the model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD). HUD is the Federal agency that oversees that the Rogersville Housing Authority is in compliance with VAWA.

Definitions

- **Internal emergency transfer** refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.

- **Safe unit** refers to a unit that the victim of VAWA violence/abuse believes is safe.

- **VAWA violence/abuse** means an incident or incidents of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in 24 CFR 5.2003 and “Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking” (Form HUD-5382).

Eligibility for Emergency Transfers

A tenant may seek an emergency transfer to another unit if they or their household member is a victim of VAWA violence/abuse, as outlined in the “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380. This emergency transfer plan provides further information on emergency transfers, and RHA will provide a copy if requested. RHA may ask for submission of a written request for an emergency transfer, such as form HUD-5383, to certify eligibility for the emergency transfer. An emergency transfer can be requested by a tenant whether or not the tenant is in good standing with RHA.

A Tenant is eligible for an emergency transfer if:

1. The tenant (or their household member) is a victim of VAWA violence/abuse;
2. The tenant expressly requests the emergency transfer; AND
3. **EITHER:**
 - a. The tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if they or (their household member) stays in the same dwelling unit; OR
 - b. If the tenant (or their household member) is a victim of sexual assault, either the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or their household member) were to stay in the unit, or the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

Emergency Transfer Policies

While RHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. However, RHA will act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of unit. RHA will respond to requests for emergency transfers on availability of eligible units within 5 business days.

If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to another unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern the occupancy in the unit to which the tenant has been transferred. RHA may not be able to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If RHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, RHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, RHA will also assist tenants in contacting local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking.

VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. RHA may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall in writing notify Rogersville Housing Authority by visiting the RHA office during business hours at 902 Locust St., Rogersville, Tn 37857 or email the RHA at receptionist@rogersvillehousing.net. If RHA does not already have documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, RHA may ask for this documentation in accordance with 24 CFR 5.2007. Unless RHA receives documentation that contains conflicting information, as described in 24 CFR 5.2007(b)(2), RHA cannot require third-party documentation to determine status as a VAWA victim for emergency transfer eligibility. RHA will provide reasonable accommodations to this policy for individuals with disabilities.

WRITTEN REQUEST FOR AN EMERGENCY TRANSFER

While it is not required, RHA may ask for a written documentation for a request of an emergency transfer. RHA will give the tenant 14 business days (weekends and Federal holidays do not count) from the date of the request to provide the written documentation. RHA may extend the request but is not required to do so.

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or household member) stays in the same dwelling unit; OR
2. In the case of a tenant (or household member) who is a victim of sexual assault, either a statement that the tenant reasonably believes there is a threat of imminent harm from further violence or trauma if the tenant (or household member) stays in the same dwelling unit), or a statement that the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when the assault occurred.

Form HUD-5383 may be used for making a written request for an emergency transfer.

Priority for Transfers

Tenants who qualify for an emergency transfer under VAWA will be given the following priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists. If RHA deems that an emergency transfer is appropriate under VAWA, priority will be given to that tenant if a safe and eligible unit is available.

Confidentiality

If a tenant inquires or requests any VAWA protections or represents that they or a household member are a victim of VAWA violence/abuse entitled to VAWA protections, RHA will keep any information provided concerning the VAWA violence/abuse, their request for an emergency transfer, and their or a household member's status as a victim strictly confidential. The information provided will be kept securely and separately from the tenant files. All the information provided by or on behalf of the tenant to support an emergency transfer request, including information on the Certification Form (HUD-5382) and the Emergency Transfer Request Form (HUD-5383) may only be accessed by RHA employees or contractors if explicitly authorized by RHA for reasons that specifically call for those individuals to have access to that information under applicable Federal, State, or local law.

Confidential information must not be entered into any shared database or disclosed to any other entity or individual, except if:

- Written permission by the victim in a time-limited release;
- Required for use in an eviction proceeding or hearing regarding termination of assistance; or
- Otherwise required by applicable law.

In addition, if a new dwelling unit is provided, the new location will be held in confidentiality by RHA and that the victim's dwelling unit will not be disclosed to a person who committed or threatened to commit the violence/abuse against the tenant of domestic violence, dating violence, sexual assault, or stalking. For additional information about a housing authority's responsibility to maintain confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking please refer to the Notice of Occupancy Rights under the Violence Against Women Act.

Emergency Transfer Procedure

RHA cannot specify how long it will take from the time a transfer request is approved until the tenant can be placed in a new, safe unit. RHA will, however, act as quickly as possible to assist a tenant who qualifies for an emergency transfer. If RHA identifies an available unit and the tenant believes that unit would not be safe, the tenant may request a transfer to a different unit. RHA may be unable to transfer a tenant and their household to a particular unit if the tenant and their household has not established or cannot establish eligibility for that unit.

If RHA does not have any safe and available units for which the tenant is eligible, RHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, RHA will also assist the tenant in contacting the local organizations offering assistance to victims of VAWA violence/abuse that are attached to this plan.

Availability of Emergency Transfer Plan

To get a copy of the plan or if you have other questions about VAWA, please contact the Rogersville Housing Authority at 423-272-8540. When possible, the plan will be available on the Rogersville Housing Authorities website at rogersvillehousing.com.

**NOTICE OF OCCUPANCY RIGHTS UNDER
THE VIOLENCE AGAINST WOMEN ACT**

HUD-5380: Rights for Survivors

Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking

U.S. Department of Housing and Urban
Development
OMB Approval No. 2577-0286

When should I receive this form? A covered housing provider must provide a copy of the Notice of Occupancy Rights Under The Violence Against Women Act (Form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Form HUD-5382) when you are admitted as a tenant, when you receive an eviction or termination notice and prior to termination of tenancy, or when you are denied as an applicant. A covered housing provider may provide these forms at additional times.

What is the Violence Against Women Act (“VAWA”)? This notice describes protections that may apply to you as an applicant or a tenant under a housing program covered by a federal law called the Violence Against Women Act (“VAWA”). VAWA provides housing protections for victims of domestic violence, dating violence, sexual assault or stalking. VAWA protections must be in leases and other program documents, as applicable. VAWA protections may be raised at any time. You do not need to know the type or name of the program you are participating in or applying to in order to seek VAWA protections.

What if I require this information in a language other than English? To read this information in Spanish or another language, please contact **Rogersville Housing Authority at 423-272-8540** ; FOR HOPWA contact Christy McMakin at (423) 378-2938 or go to <https://hudexchange.info/programs/hopwa>. You can read translated VAWA forms at https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4. If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

What do the words in this notice mean?

- VAWA violence/abuse means one or more incidents of domestic violence, dating violence, sexual assault, or stalking.
- Victim means any victim of VAWA violence/abuse, regardless of actual or perceived sexual orientation, gender identity, sex, or marital status.
- Affiliated person means the tenant’s spouse, parent, sibling, or child; or any individual, tenant, or lawful occupant living in the tenant’s household; or anyone for whom the tenant acts as parent/guardian.
- Covered housing program¹ includes the following HUD programs:
 - Public Housing
 - Tenant-based vouchers (TBV, also known as Housing Choice Vouchers or HCV) and Project-based Vouchers (PBV) Section 8 programs
 - Section 8 Project-Based Rental Assistance (PBRA)
 - Section 8 Moderate Rehabilitation Single Room Occupancy
 - Section 202 Supportive Housing for the Elderly
 - Section 811 Supportive Housing for Persons with Disabilities
 - Section 221(d)(3)/(d)(5) Multifamily Rental Housing
 - Section 236 Multifamily Rental Housing
 - Housing Opportunities for Persons With AIDS (HOPWA) program
 - HOME Investment Partnerships (HOME) program
 - The Housing Trust Fund
 - Emergency Solutions Grants (ESG) program
 - Continuum of Care program
 - Rural Housing Stability Assistance program
- Covered housing provider means the individual or entity under a covered housing program that is responsible for providing or overseeing the VAWA protection in a specific situation. The covered housing provider may be a public housing agency, project sponsor, housing owner, mortgagor, housing manager, State or local government, public agency, or a nonprofit or for-profit organization as the lessor.

¹ For information about non-HUD covered housing programs under VAWA, see Interagency Statement on the Violence Against Women Act’s Housing Provisions at

<https://www.hud.gov/sites/dfiles/PA/documents/InteragencyVAWAHousingStmnt092024.pdf>. **HUD 5380 p.1**

What if I am an applicant under a program covered by VAWA? You can't be denied housing, housing assistance, or homeless assistance covered by VAWA just because you (or a household member) are or were a victim or just because of problems you (or a household member) had as a direct result of being or having been a victim. For example, if you have a poor rental or credit history or a criminal record, and that history or record is the direct result of you being a victim of VAWA abuse/violence, that history or record cannot be used as a reason to deny you housing or homeless assistance covered by VAWA.

What if I am a tenant under a program covered by VAWA? You cannot lose housing, housing assistance, or homeless assistance covered by VAWA or be evicted just because you (or a household member) are or were a victim of VAWA violence/abuse. You also cannot lose housing, housing assistance, or homeless assistance covered by VAWA or be evicted just because of problems that you (or a household member) have as a direct result of being or having been a victim. For example, if you are a victim of VAWA abuse/violence that directly results in repeated noise complaints and damage to the property, neither the noise complaints nor property damage can be used as a reason for evicting you from housing covered by VAWA. You also cannot be evicted or removed from housing, housing assistance, or homeless assistance covered by VAWA because of someone else's criminal actions that are directly related to VAWA abuse/violence against you, a household member, or another affiliated person.

How can tenants request an emergency transfer? Victims of VAWA violence/abuse have the right to request an emergency transfer from their current unit to another unit for safety reasons related to the VAWA violence/abuse. An emergency transfer cannot be guaranteed, but you can request an emergency transfer when:

1. You (or a household member) are a victim of VAWA violence/abuse;
2. You expressly request the emergency transfer; **AND**
3. **EITHER**
 - a. you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the same dwelling unit; **OR**
 - b. if you (or a household member) are a victim of sexual assault, either you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) were to stay in the unit, or the sexual assault occurred on the premises and you request an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

You can request an emergency transfer even if you are not lease compliant, for example if you owe rent. If you request an emergency transfer, your request, the information you provided to make the request, and your new unit's location must be kept strictly confidential by the covered housing provider. The covered housing provider is required to maintain a VAWA emergency transfer plan and make it available to you upon request.

To request an emergency transfer or to read the covered housing provider's VAWA emergency transfer plan, please contact the Rogersville Housing Authority at 423-272-8540.

The VAWA emergency transfer plan includes information about what the covered housing provider does to make sure your address and other relevant information are not disclosed to your perpetrator.

Can the perpetrator be evicted or removed from my lease? Depending on your specific situation, your covered housing provider may be able to divide the lease to evict just the perpetrator. This is called "lease bifurcation."

What happens if the lease bifurcation ends up removing the perpetrator who was the only tenant who qualified for the housing or assistance? In this situation, the covered housing provider must provide you and other remaining household members an opportunity to establish eligibility or to find other housing. If you cannot or don't want to establish eligibility, then the covered housing provider must give you a reasonable time to move or establish eligibility for another covered housing program. This amount of time varies, depending on the covered housing program involved. The table below shows the reasonable time provided under each covered housing programs with HUD. Timeframes for covered housing programs operated by other agencies are determined by those agencies.

HUD 5380 p.2

Covered Housing Program(s)	Reasonable Time for Remaining Household Members to Continue to Receive Assistance, Establish Eligibility, or Move.
HOME and Housing Trust Fund, Continuum of Care Program (except for permanent supportive housing), ESG program, Section 221(d)(3) Program, Section 221(d)(5) Program, Rural Housing Stability Assistance Program	Because these programs do not provide housing or assistance based on just one person's status or characteristics, the remaining tenant(s), or family member(s) in the CoC program, can keep receiving assistance or living in the assisted housing as applicable.
Permanent supportive housing funded by the Continuum of Care Program	The remaining household member(s) can receive rental assistance until expiration of the lease that is in effect when the qualifying member is evicted.
Housing Choice Voucher, Project-based Voucher, and Public Housing programs (for Special Purpose Vouchers (e.g., HUD-VASH, FUP, FYI, etc.), see also program specific guidance)	If the person removed was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing. For HUD-VASH, if the veteran is removed, the remaining family member(s) can keep receiving assistance or living in the assisted housing as applicable. If the veteran was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days to establish program eligibility or find alternative housing.
Section 202/811 PRAC and SPRAC	The remaining household member(s) must be given 90 calendar days from the date of the lease bifurcation or until the lease expires, whichever is first, to establish program eligibility or find alternative housing.
Section 202/8	The remaining household member(s) must be given 90 calendar days from the date of the lease bifurcation or when the lease expires, whichever is first, to establish program eligibility or find alternative housing. If the person removed was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.
Section 236 (including RAP); Project-based Section 8 and Mod Rehab/SRO	The remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.
HOPWA	The remaining household member(s) must be given no less than 90 calendar days, and not more than one year, from the date of the lease bifurcation to establish program eligibility or find alternative housing. The date is set by the HOPWA Grantee or Project Sponsor.

Are there any reasons that I can be evicted or lose assistance? VAWA does not prevent you from being evicted or losing assistance for a lease violation, program violation, or violation of other requirements that are not due to the VAWA violence/abuse committed against you or an affiliated person. However, a covered housing provider cannot be stricter with you than with other tenants, just because you or an affiliated person experienced VAWA abuse/violence. VAWA also will not prevent eviction, termination, or removal if other tenants or housing staff are shown to be in immediate, physical danger that could lead to serious bodily harm or death if you are not evicted or removed from assistance. **But only if no other action can be taken to reduce or eliminate the threat** should a covered housing provider evict you or end your assistance, if the VAWA abuse/violence happens to you or an affiliated person. A covered housing provider must provide a copy of the Notice of Occupancy Rights Under The Violence Against Women Act (Form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Form HUD-5382) when you receive an eviction or termination notice and prior to termination of tenancy.

What do I need to document that I am a victim of VAWA abuse/violence? If you ask for VAWA protection, the covered housing provider may request documentation showing that you (or a household member) are a victim. BUT the covered housing provider must make this request in writing and must give you at least 14 business days (weekends and holidays do not count) to respond, and you are free to choose any one of the following:

1. A self-certification form (for example, Form-HUD 5382), which the covered housing provider must give you along with this notice. Either you can fill out the form or someone else can complete it for you;
2. A statement from a victim/survivor service provider, attorney, mental health professional or medical professional who has helped you address incidents of VAWA violence/abuse. The professional must state “under penalty of perjury” that he/she/they believes that the incidents of VAWA violence/abuse are real and covered by VAWA. Both you and the professional must sign the statement;
3. A police, administrative, or court record (such as a protective order) that shows you (or a household member) were a victim of VAWA violence/abuse; **OR**
4. If allowed by your covered housing provider, any other statement or evidence provided by you.

It is your choice which documentation to provide and the covered housing provider must accept any one of the above as documentation. The covered housing provider is prohibited from seeking additional documentation of victim status or requiring more than one of these types of documentation, unless the covered housing provider receives conflicting information about the VAWA violence/abuse.

If you do not provide one of these types of documentation by the deadline, the covered housing provider does not have to provide the VAWA protections you requested. If the documentation received by the covered housing provider contains conflicting information about the VAWA violence/abuse, the covered housing provider may require you to provide additional documentation from the list above, but the covered housing provider must give you another 30 calendar days to do so.

Will my information be kept confidential? If you share information with a covered housing provider about why you need VAWA protections, the covered housing provider must keep the information you share strictly confidential. This information should be securely and separately kept from your other tenant files. No one who works for your covered housing provider will have access to this information, unless there is a reason that specifically calls for them to access this information, your covered housing provider explicitly authorizes their access for that reason, and that authorization is consistent with applicable law.

Your information **will not be disclosed** to anyone else or put in a database shared with anyone else, except in the following situations:

1. If you give the covered housing provider written permission to share the information for a limited time;
2. If the covered housing provider needs to use that information in an eviction proceeding or hearing; or
3. If other applicable law requires the covered housing provider to share the information.

How do other laws apply? VAWA does not limit the covered housing provider's duty to honor court orders about access to or control of the property, or civil protection orders issued to protect a victim of VAWA abuse/violence.

Additionally, VAWA does not limit the covered housing provider's duty to comply with a court order with respect to the distribution or possession of property among household members during a family break up. The covered housing provider must follow all applicable fair housing and civil rights requirements.

Can I request a reasonable accommodation? If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative accommodations. To request a reasonable accommodation, please contact [INSERT APPROPRIATE STAFF MEMBER CONTACT INFORMATION]. Your covered housing provider must also ensure effective communication with individuals with disabilities.

Have your protections under VAWA been denied? If you believe that the covered housing provider has violated these rights, you may seek help by contacting [INSERT LOCAL HUD FHEO FIELD OFFICE & CONTACT INFORMATION]. You can also find additional information on filing VAWA complaints at <https://www.hud.gov/VAWA> and https://www.hud.gov/program_offices/fair_housing_equal_opp/VAWA.

8.0 SUPPORT OF OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Rogersville Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guards personnel, the Rogersville Housing Authority wants to support these brave warriors in the following manners;

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Rogersville Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically, a unit cannot be held by a family that is not residing in it as their primary residence. If all members of the family have been called to activity duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active-duty service.

9.0 COOPERATING WITH WELFARE AGENCIES

The Rogersville Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing assistance program to achieve self-sufficiency; and
- B. To provide written verification to the Rogersville Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

10.0 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Rogersville Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or probation violators. The Rogersville Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirement:

- A. The law enforcement agency shall notify the Rogersville Housing Authority that the fugitive felon and/or parole or probation violator
 - (i) is fleeing to avoid prosecution, custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which in the case of the State of New Jersey, is a high misdemeanor; or
 - (ii) is violating a condition of probation or parole imposed under Federal or State law; or
 - (iii) has information that is necessary for the officer to conduct his/her official duties;
- B. The location of apprehension of the receipt is within the Rogersville Housing Authority's official duties; and,

12.0 APPLYING FOR PUBLIC HOUSING

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at 902 Locust Street, Rogersville, TN 37857.

Completed applications submitted will be used to compile a waiting list. Due to the demand for housing in the Rogersville Housing Authority jurisdiction, the Rogersville Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Rogersville Housing Authority will verify the information. Applications may be made in person during regular office hours as posted in the lobby. Applications will be faxed or emailed to interested families upon request. Applications can be found on the Rogersville Housing Authority's website at RogersvilleHousing.com.

The completed application will be dated and time stamped upon its entry into the Rogersville Housing Authority application system. Applications must be complete in order to be accepted by the RHA for processing.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Rogersville Housing Authority to make special arrangements.

The application process will involve two phases. The first phase is the initial application for housing assistance known as the Application. The application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's application, The Rogersville Housing Authority will make a preliminary determination of eligibility.

The applicant may at any time report changes in writing to their application including changes in family composition, income, or preference factors. The Rogersville Housing Authority will annotate the applicant's file and update their place on the waiting list.

The second phase is the final determination of eligibility; this takes place when the family nears the top of the waiting list. The Rogersville Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

If the Rogersville Housing Authority determines the family to be ineligible, a written notice will be sent stating the reasons therefore and will offer the family the opportunity for an informal review of the determination.

13.0 ELIGIBILITY FOR ADMISSIONS

13.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Rogersville Housing Authority screening criteria in order to be admitted to public housing.

13.2 ELIGIBILITY CRITERIA

- A. **Family Status** – All families must have a Head of Household or Co-Heads of Household. Head of Household must be 18 years of age or a person that has been relieved of the disability of non-age by court action (sometimes referred to as Court Emancipation). Family includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:
 1. A **Family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity (regardless of actual or perceived sexual orientation, gender identity, or marital status) that lives together in a stable family relationship.
 - a. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
 - b. Children temporarily absent from the home due to placement in foster are considered family members, until DHS custody decision is reached at which time eligibility will be re-evaluated
 2. A **single person** who may be an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.
 3. An **Elderly family**, which is:
 - a. A family whose head, spouse or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
 4. A **near-elderly** family, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or;
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
 5. A **disabled** family, which is:
 - a. A family whose head, spouse, or sole member is a person with disabilities:
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
 - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on drug or alcohol dependence.

6. A **displaced family**, is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
7. A **remaining member of a tenant family**, excluding any action by State or Law enforcement agency in removing children from the unit. If the remaining member of a tenant family is a minor or minors, it will be necessary for an adult to temporarily move into a unit to serve as a guardian for children residing in the unit. The income received by the temporary guardian will be counted in determining family income. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a guardian in this situation. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement guardian or vacate the property.

B. Income Eligibility

1. To be eligible for admission to developments, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. These income limits are revised annually and are posted for public viewing at the Rogersville Housing Authority office.
2. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Rogersville Housing Authority.
3. If the Rogersville Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.
4. Income limit restrictions do not apply to families transferring within our Public Housing Program.
5. The Rogersville Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U. S. C 1436 a (a)) and revised in 24 CFR Part 5 "Revised Restrictions on Assistance to Noncitizens", Final rule, dated May 12, 1999.
2. If a family member knowingly permits an ineligible individual to reside in an assisted housing unit, the family member's assistance must be "terminated" for a period of not less than 24 months.

D. Citizenship/Eligibility Status Social Security Number Documentation

1. To be eligible, all family members must provide a Social Security number. If a child under the age of 6 years has no SSN, the child may still be admitted so long as documentation of the SSN is provided within 90 calendar days from the date of admission. If the household is unable to provide a SSN within the 90-day period, the Rogersville Housing Authority will grant one additional 90-day extension period. If the family is unable to comply with the requirements by the specified deadline, the Rogersville Housing Authority will terminate the tenancy of the entire family.
2. The best verification of the Social Security number is the original Social Security card. If the card is not available, the Housing Authority will accept an original document issued by a federal or

state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

3. If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided. If the Social Security Number of each household member cannot be provided to the Rogersville Housing Authority within 30 calendar days of it being requested, the family shall be removed from the waiting list. During this 30 calendar days, if all household members have not disclosed their Social Security number at the time a unit becomes available, the Rogersville Housing Authority must offer the available unit to the next eligible applicant family on the waiting list.

A. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
 - a. A provision authorizing HUD or the Rogersville Housing Authority to obtain from State Wage Information, Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Rogersville Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the Rogersville Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
 - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Special College Student Eligibility Rules

1. In order to be eligible for public housing, college students living outside their parents or guardian's homes must have established a separate household for at least one year prior to applying to the public housing program. This will be verified by presenting to the Rogersville Housing Authority evidence of the establishment of the separate household.
2. The college student must not be claimed as a dependent by parents or guardians on their IRS returns. This will be verified by examining the students IRS return for the previous year. The Rogersville Housing Authority will examine the box that asks if someone else claimed them on their tax return.
3. If the student is receiving an athletic scholarship that includes over \$5000 a year for housing costs, the student shall not be eligible for public housing.

13.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing Apartment Lease. The Rogersville Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Rogersville Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise, eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Rogersville Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 1. History of meeting financial obligations, especially rent and any utility payments;
 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 3. History of criminal activity by any household member involving crimes or physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well-being of other tenants or staff or cause damage to the property;
 4. History of disturbing neighbors or destruction of property;
 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Rogersville Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the Apartment Lease. The Rogersville Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
 1. A credit check of the head, spouse, co-head, and any other adult family members;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. The check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Rogersville Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Rogersville Housing Authority.
 4. A check of the State's lifetime sex offender registration program for each adult household member, including live-aides. No household with an individual registered under a state sex offender registration will be admitted to public housing. The Rogersville Housing Authority will check with our state registry and if the applicant has resided in another State (s), with that State (s)'s list. The Rogersville Housing Authority will also check the National Sex Offender Public Website.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

13.4 GROUNDS FOR DENIAL OF ASSISTANCE

The Rogersville Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;

The Rogersville Housing Authority may deny assistance in the following instances when the applicant or applicant's family has engaged in criminal activity, regardless of whether the person has been arrested, charged or convicted for **five (5) years** from the arrest, charge or conviction for Criminal Activities:

- A. The applicant or any member of the applicant family has engaged in physical or verbal abuse, or threatened abusive or violent behavior, including but not limited to the use, attempted use, or threatened use of physical force, toward Rogersville Housing Authority personnel, County or City official or a resident of the Rogersville Housing Authority.
- B. Non-violent criminal activities that may threaten the health, safety or right to peaceful enjoyment of the premises by other residents. Examples are crimes that involve disturbing the peace, crimes against the property such as burglary, larceny and robbery, and crimes that impose a financial cost such as vandalism, bribery and fraud, including fraud in connection with federally assisted housing.
- C. When the screening process shows a pattern of arrests or engaging in any drug or criminal activity that may threaten health, safety, or right to peaceful enjoyment.

- E. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- F. The Rogersville Housing Authority determines that it has reasonable cause to believe that a household member's pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- G. Any household member who is currently engaging in or has engaged in ANY criminal related and/or drug-related activity involving the illegal manufacture, sale, distribution or possession with the intent to manufacture, sell, distribute a controlled substance as defined in 102 of the Controlled Substances Act, 21 U. - H. Any household member has been evicted from federally assisted housing within the past **five** years because of drug-related and/or criminal activity and/or drug-related criminal activity involving the personal use or possession for personal use. The **five-year** limit is based on the date of such eviction, not the date the crime was committed.

However, the Rogersville Housing Authority may admit the household if it is determined that:

- 1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Rogersville Housing Authority; or
- 2. The circumstances leading to the eviction no longer exist (for example the criminal household member is imprisoned or has died)
- I. Any household member who is currently engaging in the illegal use of a controlled substance. For the purposes of this section, a member is "currently engaged in" the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current;
- J. Rogersville Housing Authority determines that it has reasonable cause to believe that a household members illegal use or pattern of illegal use of a drug may threaten the health, safety or right to peaceful enjoyment of the premises by other residents;
- K. For criminal-related activity or criminal drug-related activity if it is determined that any household member has engaged in such activity, regardless of whether the household member has been arrested or convicted for such activity. However, the Rogersville Housing Authority may consider whether the household member is participating in or has successfully completed a supervised alcohol rehabilitation program or has otherwise been rehabilitated successfully.
- L. **Denied for Life:** If any family member has been convicted of manufacturing, producing or selling methamphetamine (speed) in a public housing development.
- M. **Denied for Life:** has a lifetime registration under a State sex offender registration program.

Denial of Admissions to the Rogersville Housing Authority is not solely based on arrest records and will be investigated individually.

13.6 INFORMAL REVIEW FOR APPLICATION DENIAL

If the Rogersville Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Rogersville Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason (s) for the decision and state that the applicant may request in writing an informal review of the decision within five (5) business days of the denial. The Rogersville Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any persons designated by the Rogersville Housing Authority, other than a person who made or approved the decision under review. The applicant must be given the opportunity to present written objections to the Rogersville Housing Authority's decision. The Rogersville Housing Authority must notify the applicant of the final decision within 10 calendar days after the informal review, including a brief statement of the reasons for the final decision.

14.0 MANAGING THE WAITING LIST

Rogersville Housing Authority will monitor the waiting list closely to determine if the waiting list needs to be opened, closed, or certain apartment sizes are open for applicants. RHA will add potential residents to the waiting list when they have submitted a completed application with all required documents. RHA will work off the waiting list to determine family needs and available units.

14.1 OPENING AND CLOSING THE WAITING LIST

Opening

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. This public notice will state where, when, and how to apply. The notice will be published in suitable media outlets such as a local newspaper of general circulation, RHA website, and also by any available minority media. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

Closing

For any unit size or type, if the Rogersville Housing Authority's waiting list has sufficient applications to fill anticipated vacancies for the coming 12 months, the Rogersville Housing Authority may elect to:

- Close the waiting list completely;
- Close the list during certain times of the year; or
- Restrict intake by preference, type of project, or by size and type of dwelling.

A decision to close the waiting list will consider the number of applications for each size and type of unit, the number of applicants who qualify for a preference, and the ability of the Rogersville Housing Authority to house applicants in 12 months. Decisions to close waiting lists, restrict intake or open waiting lists will be publicly announced.

The RHA will close the waiting list at its discretion and when deemed necessary.

When the waiting list is closed, the Rogersville Housing Authority will not maintain a list of individuals who wish to be notified when the waiting list is re-opened.

14.2 ORGANIZATION OF THE WAITING LIST

The RHA will maintain one single community-wide waiting list for its developments. The RHA will not adopt site-based waiting lists.

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application.
- C. Any contact between the Rogersville Housing Authority and the applicant will be documented in the applicant file.

14.3 PURGING THE WAITING LIST

The Rogersville Housing Authority will update its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Rogersville Housing Authority has current information, i.e., applicants' address, family composition, income category and preferences.

The Rogersville Housing Authority will contact the applicant in writing. If after a written attempt, no response is received, the Rogersville Housing Authority will place the application in the "inactive status" and remove the applicant's name from the waiting list, until such time that the applicant contacts the office.

At the time of initial intake, the Rogersville Housing Authority will advise families that they must notify the housing authority in writing if and when their circumstances, mailing address or phone numbers change.

14.4 REMOVAL OF APPLICANTS FROM THE WAITING LIST

To ensure vacant units are filled in a timely manner, the Rogersville Housing Authority needs a waiting list that is accurate. While each applicant must keep the Rogersville Housing Authority apprised of changes in address, phone number, income or other circumstances, no application will be removed from the waiting list unless:

- A. The applicant requests that their name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program.
- C. The applicant does not meet the eligibility or suitability criteria for the program; or
- D. The applicant receives and accepts an offer of housing.

15.0 TENANT SELECTION AND ASSIGNMENT PLAN

It shall be the policy of the Rogersville Housing Authority to attain, to the maximum extent feasible, a tenant body in each project that is composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families with serious social problems.

The Rogersville Housing Authority will not, on account of race, color, religion, sex, gender identity, handicap, familial status, age or national origin, deny to any family or individual the opportunity to apply for admission nor deny or hinder any eligible applicant the opportunity to make application, Apartment Lease or rent dwelling units suitable to its need in any development.

Applicants who have been processed and approved are placed on a waiting list in order to await offers for available vacancies. Upon entry into the Public Housing program, applicants are offered a total of three offers as units become available and are allowed to turn down a maximum of 2 offers. If an applicant turns down the 3rd and final offer, the applicant must then submit another application.

15.1 PREFERENCES

The Rogersville Housing Authority will select families based on the following preferences within each bedroom size category.

- A. **Veterans and Active Members of the United States Department of the Defense**-Single or families of full time, part time, reserves and retirees of any branch of the U.S. Department of Defense; Army, Air Force, Navy, Marine Corps and Coast Guard;
- B. **Working Family**– Working families currently residing in Hawkins and Grainger County (Rutledge development) where at least one adult in the household is employed for at least 90 days;
- C. **Elderly** – Persons who are 62 or older;

On a case-by-case basis, the executive director, with documentation verifying the immediate need of housing, may approve of moving a prospective resident to the top of the preference list due to an emergency displacement because of a dwelling becoming uninhabitable.

In the case of a federally declared disaster, the Rogersville Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director as long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested by the HUD Assistant Secretary for Public and Indian Housing.

- F. **Violence Against Women** - The Rogersville Housing Authority strives to meet the needs of adult and child victims of domestic violence, dating violence, sexual assault, and stalking. Any applicant who can provide verification of an existing abuse situation may qualify for a preference.

- H. **Former Tenants** – Tenants that left RHA in good standing 3 years ago or longer and/or Tenants that had lease termination by RHA 5 years ago or longer and are now in good standing are eligible if no other individual qualifies for that housing size. Executive Director has authority to modify the time frames of making former tenants eligible.

- I. Out of State Applicants** – Out of state applicants will be eligible if no other in-state individual qualifies for that housing size.

Based on the above preferences, Veterans and Active Members of the United States Department of the Defense will be preference #1 and will be offered before Working Family #2 and #2 will be offered before #3 – Elderly; and so on. Based on these priorities, applicants will be selected from the waiting list using the preferences as outlined above.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preference.

Elderly Units: In filling vacancies in elderly designated units, first priority will be given to elderly families. If there are insufficient numbers of elderly families on the waiting list to fill all vacancies, units will be offered to the near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be offered first to families who may benefit from the accessible features, and will be offered to a current resident who has been approved for a transfer to an accessible unit before an eligible applicant family. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the Waiting List (s). Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 14-day notice.

15.2 ASSIGNMENT OF BEDROOM SIZES (OCCUPANCY STANDARDS)

The following guidelines will determine each family's unit size without overcrowding or over housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero-bedroom units will usually be assigned to one-person families.

In determining bedroom size, the Rogersville Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the processing of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school or children who are temporarily in foster-care, after the Rogersville Housing Authority has documentation of such.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex may share a bedroom.
- B. Children of the opposite sex, both under the age of five (5), may share a bedroom.
- C. Children will not occupy the same bedroom as their parents upon reaching the age of four (4) years; the Rogersville Housing Authority will make every effort to provide a bedroom separate from the parents after age four (4).
- D. Live-in aide may be granted up to one (1) additional bedroom, if one is available.
- E. Foster-children may be required to share a bedroom with family members.

F. Exceptions to normal bedroom size standards include the following:

1. Units smaller than assigned through the above guidelines – a family may request a smaller unit size than the guidelines allow. The Rogersville Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a large size unit for one (1) year or until the family size changes, whichever may occur first.
2. Units larger than assigned through the same guidelines. A family may request a larger unit size than the guidelines allow. The Rogersville Housing Authority will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit. (Reasonable Accommodations will apply)
3. If there are no families on the waiting list for a larger size unit, smaller size families may be housed, however they must sign a release stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needs the larger unit.
4. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
5. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than a one-bedroom.

To the maximum extent possible, needed transfers to units of appropriate size will have precedence over new admissions.

15.3 SELECTION FROM WAITING LIST

The Rogersville Housing Authority shall follow the statutory basis targeting requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at, or below, 30% of the area median income (extremely low-income families). To ensure this requirement is met we shall monitor the incomes of newly admitted families and the incomes of the families on the waiting list twice yearly. If it appears the requirement to house extremely low-income families will not be met, the Rogersville Housing Authority will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list, the Rogersville Housing Authority will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

The Rogersville Housing Authority will not hold units vacant to accomplish these goals.

15.4 DECONCENTRATION POLICY

It is the Rogersville Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Rogersville Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, and the income levels of families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration.

15.5 OFFER OF UNIT

When the Rogersville Housing Authority discovers that a unit will become available, it will contact the first family on the waiting list who has the highest priority for this type and size of unit.

The Rogersville Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Rogersville Housing Authority regarding the offer.

A date and time will be scheduled for a move in inspection, tenant briefing and signing the Apartment Lease. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Rogersville Housing Authority will send the family a letter documenting the offer and the rejection.

15.6 REJECTION OF UNIT

If, in making the offer to the family, Rogersville Housing Authority skipped over other families on the waiting list in order to meet the deconcentration goal and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Rogersville Housing Authority did not skip over other families on the waiting list to reach this family, and the family rejects three offers of suitable units without good cause, the family must resubmit another application.

If the family rejects (with good cause) any unit offered they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, childcare, (for those working or going to school) and verified victims of VAWA.

15.7 ACCEPTANCE OF UNIT

The family will be required to sign an Apartment Lease that will become effective on the same day as it is signed.

The head of household and other adult family members will be required to attend the Apartment Lease and Occupancy Orientation. The family will not be housed if they have not attended the orientation.

The applicant will be provided a copy of the Apartment Lease and other documents pertaining to living with the Rogersville Housing Authority. The applicant will sign a certification that they have received these documents and that they have reviewed them with Rogersville Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the Apartment Lease and the review of financial information are to be privately handled. The family will pay a security deposit at the time of Apartment Lease signing. The security deposit will be equal to:

- A. **\$200**
- B. New residents are allowed to pay their security deposit in up to five payments. \$100.00 at the time of Apartment Lease signing and \$25.00 with the second, third, fourth, and fifth month's rent payment.
- C. If a move within public housing is necessary, and there are any costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

16.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income the Rogersville Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Rogersville Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

16.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual re-examination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Rogersville Housing Authority believes that past income is the best available indicator of expected future income, The Rogersville Housing may annualize the income anticipated for a short period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to:

- A. The full (gross) amount, before any payroll deductions, of wages and salaries, overtime pay, commission, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Where the family has net family assets in excess of \$5,000 annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from Supplemental Security Income (SSI) and Social Security (SS) benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance payments (Temporary Assistance to Needy Families-TANF, General Assistance) received by or on behalf of any family member.
- G. Periodic and determinable allowances, such as alimony and child support payments (see note), and regular cash and non-cash contributions or gifts received from agencies or people not residing in the dwelling made to or on behalf of family members (Note: Uncollected child support will not be counted as income so long as the family provides court documents demonstrating that the debt is uncollectible or has not been paid or received as directed by the court for more than three (3) months.).

- H. All regular pay, special pay, and allowances of a family member in the Armed Forces. (see paragraph 16.2.G below concerning pay for exposure to hostile fire.)
- I. In determining annual income, the Rogersville Housing Authority will request the family to provide documentation of current income. The family acceptable documentation can be either dated 60 days prior to income determination or 60 days following the date the income documentation is requested.
- J. Historical Amounts: If the Rogersville Housing Authority is unable to determine annual income using current information because the family reports little to no income or because income fluctuates, the Rogersville Housing Authority may average past actual income received or earned within the last 12 months before the determination date to calculate annual income.
- K. Income from seasonal employment (i.e. **school board employees, teachers, etc.**) may be calculated using one of the following two methods of the family's choosing:
 - L. Annualize income by projecting the current monthly income for 12 months, even if the current income is not expected to last the entire 12 months. Under this method, the family has the right to come in for an interim re-examination once the income decreases and must have another source of income to use to calculate rent.
 - M. Calculate average income based on anticipated changes for the upcoming year using verified historical evidence of past income fluctuations. The second method would not require an interim examination at the time income decreases since such decreases would already be averaged into the anticipated annual amount.

N. Occupancy by Over-Income Families

The Rogersville Housing Authority (RHA) is an essential resource for providing quality affordable housing to eligible families of Hawkins and Grainger Counties in a manner that moves families toward increased and sustained self-sufficiency. The Rogersville Housing Authority has elected to select working families as our number one preference in filling vacancies

Therefore, the RHA is amending the Admissions and Continued Occupancy Policy regarding over-income households to state the following:

All housing authorities now follow the same rule, we cannot rent to anyone that is considered over-income unless there are no other families on the waiting list to fill the vacancy and the RHA publicizes that we are accepting applications for one month. If an over-income limit family is housed, that family can live in an apartment for 24 months before their assistance is terminated. Any over-income families will still be subject to Annual Recertifications and can request interim-reexaminations. If at any time the family is no longer considered over-income, the 24-month period stops. If that family is considered over-income again, the 24-month period will start over.

16.2 EXCLUSIONS FROM INCOME

Annual Income does not include the following:

- A. Income from the employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually individuals with disabilities, unrelated to the resident family who are unable to live alone);

17.0 VERIFICATION

The Rogersville Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

17.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U. S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include Social Security cards and other documents presented by the family, the Immigration and Naturalization Service SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated;

A. Up-front Income Verification (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

1. **Enterprise Income Verification (EIV)** – The EIV System is a web-based application, which provides public housing authorities with employment, wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the Office of Public and Indian Housing (PIH). Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U. S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD -50058, Use of the EIV system in its entirety is mandatory for all annual and interim re-examinations. The Rogersville Housing Authority will monitor the following EIV reports on a monthly basis – (1) Deceased Tenants Report, (2) Identify Verification Report, and the (3) Immigration Report. In addition, it will monitor on a quarterly basis the following EIV reports (1) Income Discrepancy Report, Multiple Subsidy Report, and the New Hires Report.
2. State Wage Information Collection Agencies (SWICA's)
3. State systems for the Temporary Assistance for Needy Families (TANF) program.
4. Credit bureau Information (CBA) credit reports
5. Internal Revenue Service (IRS) Letter 1722
6. Private sector databases (e.g. The Work Number)

The Rogersville Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or reexaminations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the resident is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Rogersville Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the

Rogersville Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriated remedy.

Furthermore, the information the Rogersville Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

The EIV Income report must remain in the tenant file for the duration of tenancy and no longer than three years from the end of participation date. The Rogersville Housing Authority is required to maintain at a minimum, the last three years of the form HUD-50058, and supporting documentation for all annual and interim re-examinations of family income. All records are to be maintained for a period of at least three years from the effective date of the action. Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

B. Third-Party Written Verifications

An original or authentic document generated by a third-party source dated either within the 60-day period preceding the re-examination or the Rogersville Housing Authority requested date. Such documentation may be in the possession of the tenant (or applicant), and is commonly referred to as tenant-provided documents. It is HUD's position that such tenant-provided documents are written third-party verification since these documents originated from a third-party source. The Rogersville Housing Authority may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include, but are not limited to: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Current acceptable tenant-provided documents will be used for income and rent determinations.

The Rogersville Housing Authority will obtain at least four current and consecutive paystubs (if paid weekly) or two current and consecutive pay stubs (if paid bi-weekly or semi-monthly) totaling at least one month for determining annual income from wages. For new income sources or when four or two pay stubs are not available, the Rogersville Housing Authority will project income based on the information from a traditional written third-party verification form or the best available information.

Note: Documents older than 60 days (from the Rogersville Housing Authority determination or request date) is acceptable for confirming effective dates of income.

Third-party written verifications may also be used to supplement Up-Front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Note: Social Security benefit information in EIV is updated every three months. If the tenant agrees with the EIV-reported benefit information, Rogersville Housing Authority does not need to obtain or request a benefit verification letter from the tenant.

The Property Manager must type up a memo stating the findings of the EIV report, go over the findings with the tenant, and both tenant and Property Manager sign the memo in order to use it as proof of SS / SSI income.

C. Written Third-Party Verification Form

Also known as traditional third-party verification. A standardized form to collect information from a third-party source is distributed by the Rogersville Housing Authority. The form is completed by the third-party, by hand (in writing or typeset) when the form is sent by the Rogersville Housing Authority.

HUD recognizes that third-party verification request forms sent to third-party sources often are not returned. In other instances, the person who completes the verification form may provide incomplete information; or some tenants may collude with the third-party source to provide false information; or the tenant intercepts the form and provides false information.

HUD requires the Rogersville Housing Authority to rely on documents that originate from a third-party source's computerized system and/or database, as this process reduces the likelihood of incorrect or falsified information being provided on the third-party verification request form. The use of acceptable tenant-provided documents, which originate from a third-party source, will improve the integrity of information use to determine a family's income and rent and ultimately reduce improper subsidy payments. This verification process will also streamline the income verification process.

The Rogersville Housing Authority will send the form directly to the third-party source by mail, fax, or e-mail and will allow 15 calendar days for the return of third party written verifications prior to continuing on to the next type of verification.

D. Third-Party Oral Verification

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation, the telephone number and the facts obtained.

The Rogersville Housing Authority will allow 15 calendar days for the return of third-party oral verifications prior to continuing on to the next type of verification.

E. Review of Documents

When UIV, written and oral third-party verifications are not available within the 15-calendar day period allowed in paragraph 3 and 15 calendar day period allowed in paragraph 4 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the documents (s).

F. Self-Certification and Self-Declaration

When UIV, written and oral third-party verifications are not available within the 15-calendar day period allowed in paragraph 3 and 15 calendar day period allowed in paragraph 4 above, and hand-carried verification cannot be obtained, the Rogersville Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third-party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received etc.

When any verification method other than Up-front Income Verification is utilized, the Rogersville Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

Applicants reporting **zero income** will be asked to complete the *Monthly Family Expense and Income Contribution* form(s) to document how much they spend on: food, transportation, health care, child care, debts, household items, etc. and what the source of income is for these expenses. The *Monthly Family Expense and Income Contribution* form is a certification signed by the person who provides the income contribution and must be notarized.

17.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZENS STATUS

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

At admission, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military D214.

At admission, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

At admission, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Rogersville Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Rogersville Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility the Rogersville Housing Authority will mail information to the INS so that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section. Except to the extent that the delay is caused by the family.

If the Rogersville Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the Apartment Lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

17.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, every family member regardless of age must provide the Rogersville Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the Apartment Lease. If the new family member is under the age of two and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Rogersville Housing Authority may grant one ninety (90) day extension for newly-added family members under the age of two if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Rogersville Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

17.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or re-examination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim re-examination is conducted, the Rogersville Housing Authority will verify and update all information related to family circumstances and level of acceptance.

17.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member, verification of Social Security number will be obtained only once. This verification will be accomplished at admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular re-examination.

17.7 SPECIAL VERIFICATION FOR ADULT STUDENTS (HOH or CO-HOH COLLEGE)

In addition to other verification procedures, student head of households must provide a written signed certification that the student does or does not receive any financial support from his or her parents or guardians and whether or not the student is receiving an athletic scholarship. If support is received, the certification must state the amount of the anticipated support. The Rogersville Housing Authority shall verify

using normal third-party verification procedures that amount by communicating directly with the supporting person (s). If an athletic scholarship is involved, the Rogersville Housing Authority shall determine if any of the scholarship is available for housing costs.

17.8 DISCREPANCIES IN VERIFIED INFORMATION

An EIV income report shall be pulled from the system before annual or interim re-examination are conducted for any family and compared with family-reported information. If the EIV report reveals an income source that was not reported by the tenant or a substantial difference (defined as \$2400 or more annually) in the reported income information, the Rogersville Housing Authority will:

- A. Discuss the income discrepancy with the tenant; and
- B. Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/or income sources; and
- C. In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the Rogersville Housing Authority will request from the third-party source, any information necessary to resolve the income discrepancy; and
- D. If applicable, determine the tenant's underpayment of rent as a result of unreported or underreported income, retroactively*; and
- E. Take any other appropriate action.

*The Rogersville Housing Authority will determine the retroactive rent as far back as the existence of complete file documentation (Form-50058 and supporting documentation) to support such retroactive rent determinations.

The tenant will be provided an opportunity to contest the Rogersville Housing Authority's determination of tenant rent underpayment. Tenants will be promptly notified in writing of any adverse findings made on the basis of the information verified through the aforementioned income discrepancy resolution process. The tenant may contest the findings in accordance with established grievance procedures. The Rogersville Housing Authority will not terminate, deny, suspend, or reduce the family's assistance until the expiration of any notice or grievance period.

When there is an unsubstantial or no disparity between tenant-reported and EIV reported income information, the Rogersville Housing Authority will obtain from the tenant, any necessary documentation to complete the income determination process. As noted previously, the Rogersville Housing Authority may reject any tenant-provided documentation, if the Authority deems the documentation unacceptable. Documentation provided by the tenant will only be rejected for the following reasons:

- A. The document is not an original; or
- B. The original document has been altered, mutilated, or is not legible; or
- C. The document appears to be a forged document (i.e. does not appear to be authentic).

The Rogersville Housing Authority will explain to the tenant, the reason (s) the submitted documents are not acceptable and request the tenant to provide additional documentation. If at any time, the tenant is unable to provide acceptable documentation that the Rogersville Housing Authority deems necessary to complete the income determination process, the Authority will submit a traditional third-party verification form to the third-party source for completion and submission to the Rogersville Housing Authority.

If the third-party source does not respond to the Rogersville Housing Authority's request for information, the Authority is required to document the tenant file of its attempt to obtain third-party verification and that no response to the third-party verification request was received.

The Rogersville Housing Authority will then pursue lower-level verifications in accordance with the verification hierarchy.

17.9 CONFIDENTIALITY OF EIV DATA

Due to the sensitive nature of income data, the Rogersville Housing Authority will restrict access to the information. Safeguards to protect confidentiality of participant income data include the following:

- A. The Executive Director will determine which employees need access to EIV data and the level of access each user needs to the EIV system. Access will be restricted to employees who have a recognized need to know for valid administrative reasons in the operation of the public housing programs;
- B. User agreements must be signed by all authorized housing authority users;
- C. Verification documents are kept in the applicant/tenant file, when needed, and destroyed when no longer needed.
- D. Tenant files are kept in locking file cabinets in a secure work area, and are locked at the end of the workday.
- E. Move-out files are shredded when no longer needed.
- F. Training for staff is provided.

18.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

18.1 FAMILY CHOICE

At admission and each year in preparation for their annual re-examination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination during their annual recertification. The annual recertification is for any changes in the family composition, to ensure that unit size is still appropriate, and to check compliance with the community service requirements, if applicable.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, transportation, education, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
 - 4. Loss in income because of changes in circumstances, including loss or reduction of employment, death in the family, or reduction in or loss of earnings or other assistance;
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Rogersville Housing Authority will provide them with the following information whenever they have to make rent decisions:
 - 1. The Rogersville Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Rogersville Housing Authority will provide the amount of income-based rent for the subsequent year, for only the year the Rogersville Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

18.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 30% of the family's adjusted monthly income; or
- B. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- C. The minimum rent of \$50

18.3 MINIMUM RENT

The Rogersville Housing Authority has set the minimum rent at \$50. If the family requests a hardship exemption, however, the Rogersville Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and

whether the hardship is of a temporary or long-term nature. The financial hardship exemption applies only to payment of the minimum rent.

A. A hardship exists in the following circumstances:

1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
2. When the family would be evicted because it is unable to pay the minimum rent;
3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
4. When a death has occurred in the family.

The above exemptions must be proven by the resident by providing to the Rogersville Housing Authority verifiable information in writing prior to the rent being delinquent and before the Apartment Lease is terminated by the Housing Authority.

B. No hardship. If the Rogersville Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

C. Temporary hardship. If the Rogersville Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Rogersville Housing Authority will offer a repayment agreement in accordance with the Anti-Fraud and Repayment Agreement Policy for any rent not paid during the period of suspension.

During the suspension period the Rogersville Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

D. Long-term hardship. If the Rogersville Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

E. Appeals. The family may use the grievance procedure to appeal the Rogersville Housing Authority's determination regarding the hardship.

18.4 FLAT/CEILING RENT

The Rogersville Housing Authority will set the flat rent amount for each public housing unit that complies with the requirement that all flat rents be set at no less than 80 percent of the applicable Fair Market Rent (FMR). Any increase caused by an increase of the flat rent required by HUD shall be limited to 35% of the existing flat rent per year to the tenant, unless state or local law requires a lesser increase.

The Rogersville Housing Authority is required by HUD to conduct an annual market study based on Fair Market Rents. In doing so, it will consider the bedroom size of the unit as compared to similar units in the private, unassisted rental market for the housing authority area. The flat rent will be set at no less than 80% of the FMR or 35% increase of the existing/current flat rent.

Section 210 of the FY 14 Appropriations Act requires that if an existing tenant's rental payment would be increased by 35 percent or more as a result of changes to the flat rent amount, that increase must be phased-in such that a family would not experience an increase in their rental payment of more than 35 percent (%) in any one year. Therefore, the Rogersville Housing Authority will phase-in rent increases 35% or more over a three-year period.

The new flat rent amount will apply to all new program admissions effective October 31, 2014. For current program participants that pay the flat rental amount, the new flat rent amount will be offered, as well as the income-based rent amount, at the next re-examination.

The Rogersville Housing Authority will post the flat rents at the office located at 902 Locust Street, Rogersville TN 37857. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

18.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A Mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents for the Rogersville Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment to obtain the prorated tenant rent.

18.6 PAYING RENT

Rent and other charges are due and payable on the 1st day of each month but no later than the 10th day (if the 10th falls on a weekend or a holiday, the next working day will be the last day to pay before late fees are added). After the 10th day of the month the rent is delinquent. All rents should be paid at 902 Locust Street, Rogersville, TN. Rent must be paid by cash, check or money order only. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$20 for processing costs. Under these circumstances no future payment of rent or charges by personal check will be allowed.

If total payment is not received, the payment will be posted to the tenants account as follows: Security deposit, pet deposit, utilities, any other charges, and rent. If the balance is not paid by the 10th (tenth) working day of the month (unless the 10th falls on a weekend, then the next working day) a 30-day Notice to Vacate will be issued to the tenant. In addition, a 10% late fee on the balance will be assessed to the tenant.

If payment is not received in full by the 30-day of the Notice to Vacate, on the 45th 31st day a Detainer Warrant will be filed for all monies owed and for possession of the property. If a Detainer Warrant is filed, the tenant will be responsible for the cost of the warrant, plus any court or attorney charges, provided the court declares the Rogersville Housing Authority successful in its action.

A tenant will only be allowed a total of two Detainer Warrant dismissals. If payment is received in full including cost for the Detainer Warrant by 3:30 the day before court, it will be cancelled. However, on obtaining a third Detainer Warrant, we will proceed with eviction.

19.0 ELIBIGILITY FOR CONTINUED OCCUPANCY, ANNUAL RE-EXAMINATIONS AND REMAINING FAMILY MEMBERS

19.1 ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy. Residents not in compliance with the criteria are subject to Apartment Lease termination and eviction.

- A. Qualify as a "Family" as defined in Section 13.2 of this ACOP or remaining member of tenant family legally of age to sign contracts;
- B. Are in full compliance with the resident obligations and responsibilities as described in the Apartment Lease.
- C. Whose family members of all ages, each have Social Security numbers;

- E. Who conform with the requirements contained in the Apartment Lease executed between the resident and the Rogersville Housing Authority.
- F. Who are in compliance with the Rogersville Housing Authority's eight (8) hour per month community service requirements.

19.2 REMAINING FAMILY MEMBERS AND PRIOR DEBT

- A. To be considered the remaining member of the family, the person(s) remaining must meet all eligibility requirements.
- B. Remaining family members age eighteen (18) years or older will be held responsible for charges incurred by the former head, co-head, or spouse.
- C. A live-in aide or foster child/adult by definition is not a member of the family and will not be qualified for continued occupancy as a remaining family member.
- D. In order for a minor child(ren) to continue to receive assistance as a remaining member(s), one of the following must occur:
 - 1. The court has awarded emancipated minor status to the minor;
 - 2. The Rogersville Housing Authority has verified that social services and/or the juvenile court has arranged for another adult to be brought into the assisted unit to care for the child(ren); or
 - 3. The Rogersville Housing Authority may allow for another adult to be a temporary head of household until such time as legal guardianship is granted or a minor, at least 17 years of age, is emancipated or reaches age 18.

A re-examination will be conducted and the appropriate size apartment unit may be made at that time.

19.3 CHANGES TO FAMILY COMPOSITION

Changes to the family composition shall be considered and documented at the time such changes occur.

- A. **Additions to the Family Composition:** Requests for additions to the family composition are to be made in writing by the head of household and are restricted to:

1. Spouses, co-heads, or domestic partners, children born to, adopted, or otherwise granted custody by operation of law, including foster children. The Rogersville Housing Authority will require documentation that the head of household has authorization to include a minor as part of the household. Court approved custody or guardianship is not the only mechanism for establishing that a head of household has authorization to include a minor in the family composition. Additions of minors may also be permitted for families in which one (1) or more children live with the designee of the parent or legal custodian, with the parent or custodian's written consent. Documentation can include but is not limited to court documents, pre-need guardian, school records, other state and federal public assistance documentation, or power of attorney.

B. Removals from the Family:

1. **Applicants:** Any adult family member including the head of household requesting to be removed from the family composition must provide a notarized statement agreeing to the removal. The Rogersville Housing Authority, at its discretion, may request additional documentation to verify the permanent relocation of the family member requesting removal.

If the adult family member is unable to provide the notarized statement agreeing to removal from the Apartment Lease, the head of household must provide a written statement explaining the reason why the family member is unable to provide the statement and provide supporting documentation, if available (e.g. death certificate, jail order).

2. **Residents:** Any adult family member, including the head of household, requesting to be removed from the family composition, must provide a notarized statement agreeing to the removal, signed by the adult family member and the head of household. The notarized statement must be accompanied by two pieces of supporting documentation showing that the family member is no longer residing in the subsidized unit. Supporting documentation to prove another residency may include but is not limited to a copy of the Apartment Lease agreement and official mail properly dated and showing new address. The Rogersville Housing Authority, at its discretion, may request additional documentation to verify the permanent relocation of the family member requesting removal.

If the adult family member is unable to provide the notarized statement agreeing to removal from the Apartment Lease, the head of household must provide a written statement explaining the reason why the family member is unable to provide the statement and provide supporting documentation, if available (e.g. death certificate, jail order).

19.4 DECEASED TENANTS

In order to ensure that the unoccupied public housing units are made available for occupancy in a timely manner, the Rogersville Housing Authority will generate a Deceased Tenant Report at least once each month.

It is the policy of the Rogersville Housing Authority, to allow the family members of the deceased resident (and/or live-in aide) fourteen (14) days to remove the belongings of the deceased. However, in some cases when the rent has been paid in full for the current month, the Rogersville Housing Authority will allow them until the end of the current month to remove the belongings. Once the keys have been returned to the Housing Administrator and a move out inspection has been completed, the tenant will be moved out and reported to HUD as deceased.

Corrective Action for Single Member Households: Upon verification that a tenant is deceased, either by a relative or by local obituaries, or by EIV, the Rogersville Housing Authority will conduct a home visit to determine if anyone is residing in the unit. If there are unauthorized persons (including a live-in aide) in the unit of a deceased single member household, the Rogersville Housing Authority will pursue judicial intervention to have them lawfully removed from the unit.

When the head of household (HOH) dies and the remaining household member is a live-in aide, the live-in aide is not entitled or eligible for continued occupancy in a subsidized unit. By definition, the live-in aide

would not be living in the subsidized unit except to provide the necessary supportive services on behalf of the elderly or disabled head of household. The Rogersville Housing Authority will not designate the live-in aide as the new head of household or change the relation code (line item 3h on the Form HUD-50058) of the live-in aide to make him or an eligible household member.

If the head of household (HOH) is deceased, and the remaining head of household members are minors, the Rogersville Housing Authority may allow a temporary adult guardian to reside in the unit until a court-appointed guardian is established. The Rogersville Housing Authority may add the new guardian as the new HOH.

In the event that a household member is misidentified as deceased on the Deceased Tenants Report, the Rogersville Housing Authority will immediately notify the individual in writing and advise the individuals to contact the Social Security Administration so that the SSA may correct its records. The individual may contact SSA at (800) 772-1213, or visit his/her local SSA office for assistance.

19.5 THE EIV'S DECEASED TENANTS REPORT

The Rogersville Housing Authority shall generate the EIV's Deceased Tenants Report monthly shortly before either the end of the month to see if the system flags deceased residents. The Rogersville Housing Authority shall review the report and follow up with any listed families immediately and take any necessary corrective action as set forth in PIH Notice 2010-50 or successor publications.

20.0 RE-EXAMINATIONS (RECERTIFICATIONS)

At least annually, the Rogersville Housing Authority will conduct a re-examination of family income and circumstances. The results of the re-examination will determine: (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

20.1 GENERAL

The Rogersville Housing Authority will send a notification letter to the family letting them know that it is time for their annual re-examination; the letter includes instructions permitting the family to reschedule the appointment if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Rogersville Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

As part of the annual re-examination, an Apartment Lease will be signed by all responsible members of the family (those over the age of 18). Verification of employment and income, earned and non-earned income, including those from assets shall be obtained, along with appropriate documentation to substantiate the determination of annual income. Data and/or verifications essential to substantiate the determination of family income shall be made a part of the record and placed with all other materials relating to eligibility in tenant file.

20.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the appointment, a second letter will be mailed or emailed. The second letter/email will advise a new time and date for the appointment, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled appointment will result in the Rogersville Housing Authority taking eviction actions against the family.

20.3 FLAT RENTS

Each year at the time of the annual re-examination, the family has the option of selecting a flat rent amount or having their rent based on the income amount.

Families who opt for the flat rent may request to have a re-examination and return to the income-based method at any time for any of the following reasons:

- A. The Family's income has decreased.
- B. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
- C. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

The family will be required to sign a certification accepting or declining the flat rent.

20.4 INCOME METHOD

During the appointment, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms for verification of family circumstances.

Upon receipt of verification, the Rogersville Housing Authority will determine the family's annual income and will calculate their rent as follows:

The total tenant payment is equal to the highest of:

- A. 30% of the family's adjusted monthly income;
- B. The welfare rent; or
- C. The minimum rent;

The family will pay the greater of the total tenant payment or the minimum rent of \$50, but never more than the flat rent.

20.5 ZERO INCOME FAMILIES

Unless the family has income that is excluded for rent computation, families reporting zero income will have their circumstances examined every 90 days until they have a stable income. Monetary or non-monetary contributions from people not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income. Families claiming zero income must complete the *Monthly Family Expense and Income Contribution* form listing their monthly expenses and the source of funds to pay for those expenses.

Families claiming income from contribution must provide a notarized *Income from Contribution* form signed by the persons providing the contribution. This statement must also include the name, address and phone number of said person for verification purposes.

The family shall be informed of the results of the rent calculation under both the income method and the flat rent and given their choice of which rent to pay.

20.6 INTERIM RE-EXAMINATIONS

During an interim re-examination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the Rogersville Housing Authority between regular re-examinations. If the family's rent is being determined under the income method, these changes will trigger an interim re-examination. The family shall report these changes within ten (10) calendar days, or no later than the 25th of the month, of their occurrence. **When the household requests any change, verifiable proof must be turned in within a timely manner (i.e. the 25th of the month). This includes but is not limited to pay stubs, separation notices, child support case numbers, workman's comp., unemployment, child custody orders, etc. Just coming into the office and requesting the change is not enough. Failure to bring in the appropriate documentation can result in the tenant being responsible for back dated rent.**

- A. A member has been added to the family through birth or adoption or court awarded custody. Proof of Custody will be required.
- B. The head of household requests to add another adult to the Apartment Lease agreement.
- C. A household member is leaving or has left the family unit.
- D. Any adult member of the household acquires new employment or changes employment which changes the individual and/or household income. Small wage increases within the same job or annual across the board increase in social security/disability income does not require disclosure for an interim recertification.
- E. If it is found that the tenant has misrepresented the facts upon which the rent is based so that the rent tenant is paying is less than the rent that he/she should have been charged. The Authority then may apply an increase in rent retroactive to the first of the month following the month in which the misrepresentation occurred. In such case the Rogersville Housing Authority may enter into a Repayment Agreement with tenant.

In order to add a household member other than through birth, adoption or court awarded custody, the family must request that the new member be added to the Apartment Lease. Before adding the new member to

the Apartment Lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number, and must verify their citizenship/eligible immigrant status. The new family member will go through the screening process similar to the process for applicants. The Rogersville Housing Authority will determine the eligibility of the individual before adding them to the Apartment Lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the Apartment Lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be the next month following the month of the re-examination.

Families are not required to, but may at any time, request an interim re-examination based on a decrease in income, an increase allowable expenses, or other changes in family circumstances. Upon such requests, the Rogersville Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

20.7 SPECIAL RE-EXAMINATIONS

If a family income is too unstable to project for twelve (12) months, including families that temporarily have reported zero income, or have a temporary decrease in income, the Rogersville Housing Authority may schedule special re-examinations every 90 (ninety) calendar days until the income stabilizes and an annual income can be determined.

20.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Any rent increase will be effective the first day of the next month after the tenant receives notice of the new rent amount.

20.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Rogersville Housing Authority makes a mistake in calculating a tenant's rent contribution and overcharges the tenant, the tenant shall receive a credit for the amount of the mistake going back a maximum of 24 months or when the mistake began if less than 24 months. The credit shall be applied to the tenant account as soon as practical.

21.0 TRANSFER POLICY

The objectives of the Transfer Policy are:

- A. To fully utilize available housing resources while avoiding over or under housed families by ensuring that each family occupies the appropriately sized unit.
- B. To facilitate humane relocation when required for modernization, emergency or other management purposes.
- C. To facilitate relocation of families with complete and permanent inability to continue living in a two-level apartment.
- D. To eliminate vacancy loss and other expenses due to unnecessary transfers.

Failure to complete a transfer within 7 days of the Notice to Transfer will result in a penalty of \$15.00 per day to the resident until the transfer is completed, unless determined by management that the delay is not the fault of the Resident.

21.1 GENERAL TRANSFER POLICY

- A. Transfers will be made without regard to race, color, national origin, sex, religion, marital status, familial status, ancestry, disability, sexual orientation, gender identity or source of income.
- B. Transfers will have preference over eligible applicants
- C. Moving costs are the responsibility of the resident except for activities subject to the Uniform Relocation Act or other HUD initiated property improvement programs.
- D. All families transferring will be required to pay any charges for maintenance repairs beyond normal wear and tear and deemed to be the responsibility of the resident.
- E. Under certain circumstances, residents may be transferred to accommodate a disability. (See Reasonable Accommodations Policy)
- F. Residents will not be transferred to a dwelling unit of equal size, except to alleviate hardship or other undesirable conditions, as determined by the Housing Administrator or Executive Director.
- G. Whenever feasible, transfers will be made within the resident's development or the resident's area if a vacant unit is available.
- H. If a resident previously accepted a handicapped accessible unit but no longer requires the handicapped features and the Housing Authority has an applicant or resident that needs the accessible unit, the current resident must agree to transfer to another unit upon request. All expenses must be borne by the resident.
- I. If a resident refuses a mandatory transfer, a thirty (30) day Apartment Lease termination letter will be sent.

21.2 TYPES OF TRANSFERS

The Rogersville Housing Authority may encounter situations in which it is necessary to move residents from one unit to another.

A. Authority Initiated Transfers

- 1. **Emergency Transfers:** These transfers are required when conditions pose an immediate threat to life, health or safety of a family or one of its members. Such situations may involve but are not limited to unit or building defects or law enforcement concerns, including special

circumstances such as domestic violence cases, hate crimes, violence or victimization, and witness protection program.

- Emergency transfers shall take priority over new admissions.
 - Transfers for special circumstances shall be documented (i.e. police reports, support letters from law enforcement, restraining orders etc.) and shall be required for the immediate safety and welfare of the family. A special circumstance transfer shall be given the next available vacancy that is not in the same project.
2. **Occupancy Standards Transfers:** These transfers are necessary to correct under housed or over housed conditions and must be recommended by the Housing Administrator upon annual or interim re-examination, as required by changes in the family composition, in accordance with the HUD's Occupancy Standard Guidelines

These transfers shall take priority over new admissions and are limited to be made when:

- The under housed (overcrowded) condition is such that the household members over age of four (4) equal more than two (2) persons per bedroom.
- The over housed condition is such that the family size includes more than two persons per bedrooms in the unit.

B. Resident Initiated Transfers (REASONABLE ACCOMMODATIONS)

1. **Reasonable Accommodation:** Under certain circumstances, a resident's transfer request may be granted to accommodate a disability. The Reasonable Accommodations Policies and Procedures, includes the request and verification forms required for this type of transfer.
- All Reasonable Accommodations transfers shall take priority over new admissions.
 - Prior to this type of transfer, every effort shall be made to accommodate the needs of a disabled resident, including but not limited to, making necessary modifications to the existing unit and providing other alternative forms of reasonable accommodation as detailed in the Reasonable Accommodation Policies.

- C. **Resident initiated transfers that are not related to Reasonable Accommodations** are not allowed, except for special circumstances as indicated in Emergency Transfers under the A (1) above.

21.3 PROCESSING TRANSFERS

A centralized transfer waiting list will be administered by the Property Manager.

A family that opted to reside in a smaller unit size than would normally be assigned under the largest unit size standard will be eligible for a transfer one (1) year after admission, unless they have a change in family size or composition.

Transfers will be made in the following order of priority:

- Emergency Transfers
- Reasonable Accommodation
- Occupancy Standards

Emergency transfers will be housed ahead of any other families, including those on the applicant waiting list. Emergency transfers will be housed ahead of transfers for Reasonable Accommodations.

Occupancy Standards transfers will be housed along with applicants for admission at the discretion of the Rogersville Housing Authority.

A. Transfers to Handicapped Accessibility Units.

1. When an accessible unit becomes available, the unit will first be offered to a current resident with disabilities in the same development who requires the accessibility features of the vacant, accessible unit and occupying a unit not having those features.
2. If there is no current resident in the same development who requires the accessibility features of the vacant, accessible unit, then the unit will be offered to a resident with disabilities residing in another development who requires the accessibility features of the unit.
3. If there is no current resident who requires the accessibility features of the vacant, accessible unit, then the unit will be offered to an eligible, qualified applicant with disabilities on the waiting list who can benefit from the accessible features of the unit.
4. If there is not an eligible, qualified resident or applicant with disabilities on the waiting list who wishes to reside in the available, accessible unit, then it will be offered to an applicant on the waiting list who does not need the accessible features of the unit. The Rogersville Housing Authority will require residents to relocate to a vacant, non-accessible unit within thirty (30) days of notice by the Authority if there is an eligible applicant or existing resident with disabilities who requires the accessibility features of the unit.

The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit, after the seven (7) calendar days, as well as the new unit for any period of time they have possession of both. The prorated rent and other charges must be paid at the time of Apartment Lease execution.

The following is the policy for the rejection to transfer:

- A. If the transfer is being made at the request of the Rogersville Housing Authority and the family rejects the transfer without good cause, the Rogersville Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Rogersville Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- B. If the transfer is being made at the request of the Rogersville Housing Authority because the current unit is too large to meet the Rogersville Housing Authority's occupancy standards, and the tenant refuses the transfer, the Rogersville Housing Authority will take action to terminate their tenancy.

21.4 RIGHT OF THE ROGERSVILLE HOUSING AUTHORITY IN HOUSE TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers.

22.0 INSPECTIONS

Authorized representatives of the Rogersville Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Rogersville Housing Authority file and a copy given to the family member. Authorized Rogersville Housing Authority representatives will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice. The resident's security deposit can be used to offset against any Rogersville Housing Authority damages to the unit.

22.1 MOVE-IN INSPECTIONS

The Rogersville Housing Authority and an adult member of the family will inspect the unit prior to signing the Apartment Lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

22.2 ANNUAL INSPECTIONS

The Rogersville Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Rogersville Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies. The original will be placed in the tenant file.

22.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted periodically throughout the year. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

22.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Rogersville Housing Authority.

22.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual re-examination or at other times as necessary, the Rogersville Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition. More frequent inspections may be required of units that evidence housekeeping deficiencies.

22.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Rogersville Housing Authority will give the tenant at least two (2) calendar days written notice.

22.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Rogersville Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

22.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Rogersville Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Rogersville Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Rogersville Housing Authority to ready units more quickly for the future occupants.

22.9 MOVE-OUT INSPECTIONS

The Rogersville Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

If tenant moves out before the entire deposit is paid in full, the portion of the security deposit paid will be forfeited whether there are damages or not.

22.10 FAILED INSPECTIONS

You must ensure that your unit meets the ROGERSVILLE HOUSING AUTHORITY'S housing quality standards. If your unit does not meet our standards at the first inspection, the inspection will count as a failed inspection. A second inspection will then be scheduled in approximately one week. You will receive a letter from the housing authority stating that you failed the annual inspection or were turned in for a housekeeping inspection and a new appointment will be scheduled. If your unit does not meet our standards at the second inspection, your assistance will be terminated for the condition of your unit. A 30-day lease cancellation will be issued.

22.11 MAINTENANCE CHARGES

This section established the procedures for maintenance charges in the Rogersville Housing Authority's developments.

- A. Schedules for Pest Control will be mailed to residents at the beginning of each year, however during the holidays this schedule may change. In the case of change, the Rogersville Housing Authority will mail, email, hand deliver, or announce on the Rogersville Housing Authority's website the revised changes to the resident. Tenants must allow maintenance staff entry for pest control. Refusal to cooperate could result in Apartment Lease cancellation.
- B. Schedules of maintenance charges are posted in the Rogersville Housing Authority office and the Rogersville Housing Authority Website. Copies will be made available to residents upon request.
- C. Residents will be charged for material and services at the price list in effect at the time of repair for intentional damages or damages caused by negligence of the residents.
- D. The Rogersville Housing Authority will notify the resident by mail, email or in person of any maintenance charges for which he/she will be billed, and his/her rights to request a hearing under the grievance.
- E. If the resident requests for a hearing, the charges will not become due until the grievance process has been completed procedures.
- F. Maintenance charges are due with the following month's rent.

Move Out Charges:

- A. Upon the move out inspection, residents will be held responsible for all damages beyond normal wear and tear to the unit and appliances.
- B. Damages beyond normal wear and tear not repaired will be charged to the resident's security deposit and if necessary the resident's account at the time of move-out. The price list in effect at the move-out will be utilized to price labor and materials.
- C. Photographs of the damages will be maintained in the tenant file in accordance to retention schedule.

MAINTENANCE POLICY

The Maintenance Department of the Rogersville Housing Authority is responsible for maintaining the buildings, properties, and equipment of the RHA in the most cost-effective manner possible while maximizing the useful life of Rogersville Housing Authority properties and providing the best service to its residents. The following policy statements are designed to establish the structure of an effective and efficient maintenance system. The Maintenance Supervisor directly supervises all aspects of the operation of RHA developments. Where required in this policy we have listed the Maintenance Supervisor as the official responsible party for supervising Maintenance Personnel and will assist in the performance of their duties. The maintenance supervisor plans the work schedule for the workday in accordance to the needs of that particular day. The proper maintenance of all Rogersville Housing Authority apartments, associated properties and grounds in a satisfactory condition is the major task of the maintenance department. It is understood that this policy cannot contain every item of maintenance required, or answers to all possible questions, but is to be used as a general guideline for the maintenance department.

The Rogersville Housing Authority lease provides that ALL tenants must allow entry to the units either to management or the Maintenance Staff, with proper notification. Residents, who refuse to cooperate, will be issued a 30-day lease cancellation.

COMPONENTS OF A MAINTENANCE SYSTEM

The Rogersville Housing Authority maintenance system shall include certain components:

- a. A system of priorities for work requests;
- b. Comprehensive work procedures;
- c. Performance goals;
- d. A work order system;
- e. A skills training program; and
- f. A long-range planning system.

By developing a maintenance system that has these components in place, the authority will have the tools it needs to perform maintenance work at the Rogersville Housing Authority in an efficient manner.

PRIORITY SYSTEM FOR WORK REQUESTS/ORDERS

Rogersville Housing Authority's work order priority is established to increase efficiency in resources and cost when completing maintenance work orders and requests. While all work orders are important to the maintenance department, emergency work orders will have the highest priority of attention.

Maintenance work shall be performed according to the following priority of work order categories:

- a. Emergency Work Orders
- b. Vacant Unit Turnover Work Orders
- c. Preventive Maintenance Work Orders
- d. Routine or Resident Initiated Work Orders

Placing preventative maintenance and vacancy preparation work ahead of resident work requests does not indicate that resident requests are unimportant. It emphasizes the importance of maintaining control of the maintenance work by performing preventive work first. By doing so, the Authority will decrease on-demand work and maintain the property in a manner that will keep and attract good tenants.

A. Emergency Maintenance Work Orders

Emergencies are the highest priority source of work. The Rogersville Housing Authority will consider a work item to be an emergency if the following occur:

1. The situation constitutes a serious threat to the life, safety or health of residents or staff; or
2. The situation will cause serious damage to the property structure or systems if not repaired within twenty-four (24) hours.

If a staff member is unsure whether or not a situation is an emergency, he or she will consult with his or her supervisor. If a supervisor is not available, the employee will use his or her best judgment to make the decision. **If employee goes out on a call that isn't an Emergency (listed below), tenant will be charged for a non-emergency call and employee will only be paid for time spent on the call.**

For emergencies that occur after regular working hours, the Rogersville Housing Authority shall have a twenty-four (24) emergency response system in place. This response system includes the designation of a maintenance employee in charge for each day. These are items that if not repaired promptly could cause injury, loss of life, threaten health or cause serious property damage such as:

B. Vacant Unit Turnover Work Orders

It is the policy of the Rogersville Housing Authority to reoccupy vacant units as soon as possible. This policy allows the Authority to maximize the availability of housing opportunities for prospective residents, which in turn increases income produced by its properties to assist in operating attractive and safe properties.

The Maintenance Supervisor is responsible for developing and implementing a system that ensures an **average turn-around time of fourteen (14) calendar days**. In order to do so, he or she must have a system that can perform the following tasks:

Forecast unit preparation needs based on prior years' experience.

Estimate both the number of units to be prepared and the number of hours it will take to prepare them; and

Control work assignments to ensure prompt completion.

The maintenance procedure for reoccupying vacant units relies on the prompt notification by management of the vacancy, fast and accurate inspection of the unit, ready availability of workers and materials, and good communication with those responsible for leasing the unit.

The Maintenance Supervisor has the ability to create special teams for vacancy turnaround or to hire contractors, with director's approval, when it is required to maintain Authority goals.

C. Preventative Maintenance

Preventative maintenance is part of the scheduled maintenance program of the Rogersville Housing Authority. The purpose of the scheduled maintenance program is to allow the Authority to anticipate maintenance requirements and make sure the Authority can address them in the most cost-effective manner. The preventative maintenance program focuses on the **major systems** that keep the properties operating. Work orders include activities based on regular, scheduled, and methodical inspection of dwelling units, buildings, equipment, and major systems; regularly scheduled maintenance activities intended to maintain the decent, safe and sanitary nature of the housing authority and to maintain curb appeal of the property. These inspections are designed to maintain the Housing Authority property in good repair and to appreciably extend its useful life by assuring repairs are made prior to deterioration and actual breakdown, thereby minimizing both damage and repair costs.

1. General Operating System

The heart of any preventive maintenance program is a schedule that calls for the regular servicing of all systems. The development of this schedule begins with the identification of each system or item that must be checked and serviced, the date it must be serviced, and the individual responsible for the work. The servicing intervals and tasks for each system must be included in the schedule. The completion of all required tasks is considered a high priority for the Rogersville Housing Authority.

The Maintenance Supervisor is responsible for the development of an operating system control program that includes these features:

The systems covered by the preventive maintenance program include but are not limited to:

- a. Catch basins
- b. Emergency lighting
- c. Exhaust fans
- d. Exterior lights
- e. Fire extinguishers and other life safety systems
- f. Heating systems
- g. Mechanical equipment and vehicles
- h. Sanitary drains
- i. Security Cameras

A specific program will be developed for each system. This program shall include a list of the scheduled service maintenance for each system and the frequency and interval at which that service must be performed. The equipment and materials required to perform the service will be listed as well so that they will be on hand when needed. As assessment of the skills or licensing needed to perform the tasks will also be made to determine if an outside contractor must be used to perform the work. The preventive maintenance schedule must be updated each time a system is added, updated, or replaced.

2. Roof Inspections

Maintenance of roofs requires regular inspections by knowledgeable personnel to ensure that there is no unauthorized access to roof surfaces and that there is good drainage, clear gutters and prompt discovery of any deficiencies.

The Maintenance Supervisor is responsible for the development of a roof maintenance plan that includes these features:

- a. Type and age of roof

- b. Warranties and/or guarantees in effect
- c. Company that installed the roof
- d. Expected useful life of roof
- e. History of maintenance and repair
- f. Inspection schedule

The authority maintenance staff will usually undertake only minor roof repairs. Therefore, there should be a list of approved roofing contractors to take on more serious problems for roofs no longer under warranty.

3. Vehicle/Equipment Maintenance

The Rogersville Housing Authority will protect the investment it has made in vehicles and other motorized equipment by putting in place a comprehensive maintenance program. The Maintenance Supervisor is responsible for the development of a Vehicle/Equipment Maintenance program.

The vehicles and equipment to be covered include but are not limited to:

- a. Cars, trucks and vans
- b. Leaf Blowers
- c. Weed cutters
- d. Chain Saws
- e. Hedge Trimmers
- f. Electric Drain Augers
- g. Lawn Mowers
- h. Tractors and equipment

The Maintenance Supervisor is responsible for the development of this plan which shall contain components for minimal routine service as well as servicing for seasonal use. Serviceable components for each vehicle or piece of motorized equipment will be listed in the plan along with the type and frequency of service required.

The Maintenance Supervisor shall also maintain a system to ensure that any employee that operates a vehicle or piece of motorized equipment has the required license or certification.

4. Lead-Based Paint

The Rogersville Housing Authority is committed to controlling lead-based paint hazards in all its dwellings, especially family dwellings constructed before 1997. Housing Authorities were required to determine prior to December 6, 1994, whether lead-based paint hazards exist in pre-1978 family developments. Where lead-based paint hazards exist, resident, maintenance workers and /or contractors have been informed of the hazards of lead-based paint and of the precautions to take to avoid lead poisoning. Maintenance workers and/or contractors have been made aware of the proper precautions to take to protect themselves, residents and their belongings, and the surrounding environment from the hazards of lead paint, dust and debris.

HUD and the Environmental Protection Agency (EPA) have developed guidelines for lead paint detection and removal, which are periodically updated as the techniques in this field are continually refined.

All treatment of identified lead-based painted surfaces must be completed in accordance with the Rogersville Housing Authority's Lead-Based Paint Policy and Procedure. (attached to the Rogersville Housing Authority ACOP)

5. Life Safety Systems

The Rogersville Housing Authority shall have a comprehensive program for maintenance of life safety systems to ensure that they will be fully functional in the case of emergency. The Maintenance Supervisor is responsible for the development of a schedule that includes the inspection, serving and testing of this equipment. The equipment includes the following:

- a. Fire Alarms
- b. Fire Extinguishers (only in administrative building)
- c. Emergency lighting
- d. Smoke Detectors

The plan will include the required testing and servicing as required by manufacturer's recommendations. It will also include a determination of the most reliable and cost-effective way to perform the work including the decision to hire a contractor.

6. Inspection Program

The Rogersville Housing Authority's goals of efficiency and cost-effectiveness are achieved through a carefully designed and rigorously implemented inspection program. This program calls for the inspection of all areas of the Authority's facilities, including the dwelling units, the grounds and building exteriors and major service systems.

A. Dwelling Unit Inspections

The unit inspection system of the Rogersville Housing Authority has two primary goals:

To assure that all dwelling units comply with standards set by HUD and local codes; and To assure that the staff of the Rogersville Housing Authority knows at all times the condition of each unit for which it is responsible.

The achievement of these goals may require more than the annual HUD required inspection. The Maintenance Supervisor is responsible for developing a unit inspection program that schedules inspections at the frequency required.

For all non-emergency inspections, the resident shall be given at least two (2) days written notice of the inspection.

The management staff along with the maintenance staff shall perform the unit inspection program of the Rogersville Housing Authority on an annual basis. During each inspection, the staff shall perform specific preventative and routine maintenance tasks. Any other work items noted at the time of the inspection will be documented on the Rogersville Housing Authority inspection form. All uncompleted work items shall be converted to a work order within twenty-four hours of the completion of the inspection. The maintenance staff shall endeavor to complete all inspection-generated work items within 30 days of the inspection.

All maintenance staff is responsible for monitoring the condition of dwelling units. Whenever a maintenance staff member enters a dwelling unit for any purpose, such as completing a resident request for service or accompany a contractor, he or she shall record on an inspection form any required work he or she sees while in the apartment. These work items shall also be converted to a service request within twenty-four hours of delivery.

B. Failed Inspections

Tenants must ensure that the unit meets the ROGERSVILLE HOUSING AUTHORITY'S housing quality standards. If the unit does not meet RHA standards at the first inspection, the inspection will count as a failed inspection. A second inspection will then be scheduled in approximately one week. RHA will write the tenant a letter stating that they failed the annual inspection and a new appointment will be scheduled. If the unit does not meet RHA standards at the second inspection, tenant assistance will be terminated for the condition of the unit. A 30-day lease cancellation will be issued.

7. Building and Ground Inspections

Regular inspections of the property grounds and building exteriors are required to assist in addressing safety concerns and maintaining the curb appeal of the property. This curb appeal is required to maintain the attractiveness of the property for both current and prospective residents. The inspection procedure will specify the desired condition of the areas to be inspected. This defined condition will include any HUD or locally required standards. The existence of these standards shall not prevent the Housing Authority from setting a higher standard that will make the property more competitive in the local market.

Building and grounds inspections must cover these areas:

- a. Hallways
- b. Stairwells
- c. Common Entries
- d. Basements
- e. Grounds
- f. Porches
- g. Parking Lots
- h. Sidewalks and fences
- i. Lawns and trees
- j. Building foundations

An inspection form will be developed for common areas and building exteriors and grounds. The Maintenance Supervisor is responsible for the inspection and shall note all deficiencies on the form and ensure that these deficiencies are recorded on work orders within twenty-four hours of inspection. The Rogersville Housing Authority will complete all inspection-generated work items within thirty (30) days of the inspection.

Nothing in this policy shall prevent any Rogersville Housing Authority staff member from reporting any needed work that they see in the regular course of their daily activities. Such work items shall be reported to the Maintenance Supervisor.

The Maintenance Supervisor is responsible for the performance of these inspections.

8. Pest Control/Extermination

The Rogersville Housing Authority will make all efforts to provide a healthy and pest-free environment for its residents. In order to comply with the State of Tennessee regulations, all pest control functions will be performed by licensed contractors. The Authority has ongoing pest control management with a regularly scheduled program in all developments for infestation of cockroaches, mice, bedbugs*, etc. A combination of tactics is used, including resident cooperation. Low risk bait is the current treatment of choice and chemical pesticides are used only when the bait fails. However, treatment will be changed as new products become available and/or insects become resistant to the current treatment.

Additional treatment between regularly scheduled treatments is provided when necessary. Termite and flea treatment are performed on an as needed basis, however residents with pets will be charged for flea treatments.

Resident cooperation with the extermination plan is essential. All apartments in a building must be treated for the plan to be effective. Residents will be given information about the extermination program at the time of move-in and at annual re-examinations. All resident will be informed in writing at the beginning of the year with the schedule of exact dates of pest control for their development. This schedule will also be provided at move-in and at annual re-examination and will be posted on the office bulletin board. If necessary, these instructions and scheduled shall be bi-lingual to properly notify the resident population.

The Rogersville Housing Authority Dwelling Lease states that all residents must allow entry for pest control treatment. Residents who refuse to cooperate with our staff and the pest control program will be issued a 30-day lease cancellation.

(*See Bedbug Policy for additional information)

9. Landscaping and Grounds

The Rogersville Housing Authority will prepare a routine maintenance schedule for the maintenance of the landscaping and grounds of its properties that will ensure their continuing attractiveness and marketability.

Routine grounds maintenance includes numerous activities:

- a. Litter Control
- b. Lawn Care
- c. Maintenance of driveways, sidewalks and parking lots
- d. Drainage
- e. Trees

The Maintenance Supervisor shall be responsible for the development of a routine maintenance schedule that shall include the following:

- a. A clearly articulated standard of appearance for the grounds that acknowledges but is not limited to HUD and local code standards;
- b. A list of tasks that are required to maintain that standard and the frequency with which the tasks must be performed;
- c. The equipment, materials and supplies required to perform the tasks and a schedule for their procurement.

10. Building Exteriors and Interior Common Areas

The appearance of the outside of the Authority building as well as their interior common areas is important to their marketability. Therefore, the Rogersville Housing Authority has established a routine maintenance schedule to ensure that they are always maintained in good condition. Exterior painting will be carried out on an as-needed basis which will be determined by the Maintenance Supervisor. The components to be maintained include:

- a. Lobbies
- b. Hallways and stairwells
- c. Public Restrooms
- d. Lighting fixtures
- e. Common rooms and community spaces
- f. Exterior porches and railings
- g. Building Walls
- h. Windows

The Maintenance Supervisor is responsible for the development of a routine maintenance schedule for building exterior and interior common areas. The schedule shall be based on the following:

- a. A clearly articulated standard of appearance for the building
- b. A list of tasks required to maintain that standard
- c. The frequency with which the tasks must be performed
- d. A list of materials, equipment and supplies required to perform the tasks.

11. Interior Painting

The appearance and condition of the paint within each unit is important to unit condition and resident satisfaction. Accordingly, the Rogersville Housing Authority will develop a plan to ensure that interior paint in resident dwelling units is satisfactorily maintained.

As part of this plan painting standards will be developed that include:

- a. Surface preparation
- b. Protection of non-painted surfaces
- c. Color and Finish
- d. Paint Quality
- e. Methods of application approved
- f. Lead paint testing and abatement if required.

This plan will set out the conditions for the consideration of a painting request. These standards include the period of time that has elapsed since the last time the unit was painted and the availability of funds, will be a deciding factor when considering repainting the unit.

RESIDENTS ARE NOT ALLOWED TO PAINT THE UNIT THEMSELVES.

However, at the Maintenance Supervisor discretion a small amount of paint may be provided to the resident for any touch up areas inside the unit.

D. Routine or Resident Initiated

This category of work refers to all resident generated work requests that fall into no other category. These are non-emergency calls made by residents seeking maintenance service. These requests for service cannot be planned in advance or responded to before the resident calls.

It is the policy of the Rogersville Housing Authority to complete these work requests within fourteen (14) days. However, unless the request is an emergency or entails work that compromises the habitability of the unit, these requests will not be given a priority above scheduled routine and preventive maintenance. By following this procedure, the Rogersville Housing Authority believes it can achieve both good resident service and a maintenance system that completes the most important work first and in the most cost-effective manner.

CONTRACTING FOR SERVICES

The Rogersville Housing Authority will contract for maintenance services when it is in the best interest of the Authority to do so. When the employees of the Authority have the time and skills to perform the work at hand, they will be the first choice to perform a given task. When the employees of the Authority have the skills to do the work required, but there is more work than there is time available to complete it, the Housing Authority will determine whether it is more cost effective to use a contractor to complete the work. If the Authority staff does not have the skills to complete the work, a contractor will be chosen. In the last instance, the Authority will decide whether it will be cost effective to train a staff member to complete the work.

Once the decision has been made to hire a contractor, the process set out in the Rogersville Housing Authority Procurement Policy will be used. These procedures vary depending on the expected dollar

amount of the contract. The Maintenance Supervisor will work with the Executive Director to facilitate the contract award. The Maintenance Supervisor will be responsible for the contribution of the Maintenance Department to this process. The most important aspect of the bid documents will be the specifications or state of work. The clearer the specifications the easier it will be for the Authority to get the work product it requires.

DEVELOP PROCEDURES

The Maintenance Supervisor will ensure that there are sufficient clear procedures in place to allow staff to implement this maintenance policy statement. All procedures will include the following:

A statement of purpose;

The job title (s) of the staff member (s) responsible for carrying out the activities in the procedure;

Any forms needed to carry out the activities; and

The frequency of any specified activities.

After their adoption, maintenance procedures will be reviewed and updated at least annually.

DEVELOP PERFORMANCE STANDARDS AND GOALS

The Maintenance Supervisor will establish measures that allow the effectiveness of maintenance systems and activities to be evaluated. In establishing these standards, the Rogersville Housing Authority will take into consideration certain factors:

- a. Local housing codes;
- b. HUD Housing Quality Standards;
- c. Public Housing Assessment System (PHAS) standards;
- d. Rogersville Housing Authority job descriptions. Nothing in the documents listed above will prevent the Rogersville Housing Authority from setting a standard that is higher than that contained in the documents.

These standards and goals will be used to evaluate current operations and performance and to develop strategies to improve performance and meet the standards that have been set.

The Rogersville Housing Authority shall have a comprehensive work order system that includes all work request information: source of work, description of work, priority, cost to complete, dates to complete, and hours to perform. This information is required for the Authority to plan for delivery of maintenance services as well as evaluate performance. To obtain the greatest effectiveness from the work order system, all work requests and activities performed by maintenance staff must be recorded on work orders.

Work orders will contain, at a minimum, the following information:

- a. Preprinted number
- b. Source of request (planned, inspection, resident, etc.)
- c. Priority assigned
- d. Location of work
- e. Date and time received
- f. Date and time assigned
- g. Worker(s) assigned
- h. Description of work requested
- i. Description of work performed
- j. Estimated and actual time to complete
- k. Materials used to complete work
- l. Resident charge
- m. Resident signature (when available)

TRAINING

In order to allow its staff members to perform to the best of their abilities, the Rogersville Housing Authority recognizes the importance of providing the staff with opportunities to refine technical skills, increase and expand craft skills, and learn new procedures. The Maintenance Supervisor is responsible for developing a training curriculum for the departmental staff and working with management staff to identify the means of delivering the training. All employees will be provided training on an as needed basis and if the budget and time allows.

LONG-RANGE PLANNING

The Rogersville Housing Authority will put in place a long-range maintenance planning capability in order to ensure the most cost-effective use of Authority resources and the maximum useful life of the Authority properties.

The Maintenance Supervisor with the Executive Director's assistance will develop a property-specific long-range planning process. By developing a work plan, the Authority will be able to anticipate its staff, equipment and materials needs. It will also be possible to determine need for contracting particular services.

BEDBUG POLICY

The purpose of this policy is to set forth the rules and responsibilities of the Rogersville Housing Authority and the tenant in minimizing the potential for bedbugs. This policy will also provide guidance in cases where bedbugs are present in order to eliminate them as quickly as possible.

Bedbugs are difficult to contain without the proper treatment. Therefore, it is imperative that the Rogersville Housing Authority, the tenant (s) and the Pest Control Company work simultaneously toward a common goal, extermination and elimination. Left untreated bedbugs can spread throughout the residence affecting current and future tenants.

Rogersville Housing Authority's Roles and Responsibilities

Upon notification from the tenant the Rogersville Housing Authority will perform an initial inspection of the tenant's residence within three working days. If it is determined that bedbugs are present the Rogersville Housing Authority will provide the tenant with the "Tenant Roles and Responsibilities" document. This document will be explained to the tenant to ensure understanding and compliance prior to treatment. In addition, the Rogersville Housing Authority will secure the tenant(s) signature indicating understanding of the document.

Upon successful completion by the tenant of the Roles and Responsibilities, the Pest Control Company along with a Rogersville Housing Authority Maintenance employee will professionally treat the residence and perform a follow-up inspection to ensure that the treatment was successful. The process will consist of four (4) treatments performed by the Pest Control Company along with a Rogersville Housing Authority Maintenance employee. Each treatment will be performed once a week for a total of four (4) treatments which will consist of four (4) weeks provided the tenant has followed the Tenant Roles and Responsibilities. The inspection of the dwelling will be after the fourth treatment has been successfully completed by the Pest Control Company and a Rogersville Housing Authority Maintenance employee. In cases where the tenant has not performed the Roles and Responsibilities, treatment will be more than the anticipated four (4) weeks.

HUD regulations require tenant cooperation in order to successfully eliminate the presence of bedbugs. Therefore, it is the tenant's responsibility to call in a work order as soon as the presence of bedbugs is suspected. This will allow Rogersville Housing Authority to address the potential infestation at its onset and before it affects other tenants. In addition, **the tenant must be on site when the initial inspection is conducted.** If it is determined by the Pest Control Company and the Rogersville Housing Authority that bedbugs are present, the tenant must complete all items listed as "Tenant Roles and Responsibilities" prior to treatment and as soon as possible. This will help to minimize the severity of bedbug presence and resolve the problem quickly.

Failure to Comply

Treatment for bedbugs is NOT optional.

If treatment is scheduled and the exterminator determines that the tenant has not performed the above stated responsibilities the following may result:

1. Treatment will be cancelled by the exterminator.
2. Tenant will be held financially responsible for all costs due to bedbug infestation.
3. When pest control and Rogersville Housing Authority maintenance staff have determined that a tenant has bed bugs, the tenant will have **up to two weeks including weekends and holidays** to prepare the apartment for treatment and contact RHA maintenance department to come out and inspect to see if the tenant is ready for treatments. Preparation will be based on guidance from pest control and maintenance staff. If the tenant has followed the guidelines given for preparation, RHA maintenance will schedule treatments with the pest control company. **After two weeks, if the apartment is not ready to be treated, the tenant may be charged \$100.**

4. Since consistency in treatments is needed to assist with exterminating bedbugs, Rogersville Housing Authority will require tenants to receive the four (4) bed bug treatments from pest control within five (5) weeks of the first treatment. RHA maintenance staff and the contracted pest control company work together to schedule these special treatments. If the pest control company cannot gain access the apartment, the pest control company and RHA maintenance department have given up valuable time that could have been directed elsewhere. **If treatments have started and the tenant does not let pest control come in to treat the apartment more than one time during the five (5) week period, the tenant will be charged \$100.**
5. Tenant lease may be terminated.

Failure to Report

- Rogersville Housing Authority expects all tenants to respect their living space and the living spaces of their neighbors. In doing so, the tenant has a responsibility to report any possible sightings of bedbugs in their apartment.
- When a tenant reports a possible sighting of bedbugs, Rogersville Housing Authority will send a maintenance staff member and/or accompany pest control to do a check of the apartment. Early intervention will assist in the treatment of the tenant's apartment and reduce the spread of bed bugs to other apartments in the development.
- If a tenant has an infestation of bedbugs and does not report the infestation to the Rogersville Housing Authority, the tenant may be charged for the cost of the treatment to their apartment as well as the treatment of the neighboring apartments.
- If a tenant allows visitors into their apartment when they have a bedbug issue, the tenant may be responsible for the treatment of apartments in other areas of the housing development.
- If the bedbug infestation is an extreme case from failure to report, the tenant may incur the charge for treatment and may have their lease terminated.

Failure to Report Prior to Moving Out or Lease Termination

- Rogersville Housing Authority expects all tenants to respect their living space and the living spaces of their neighbors. In doing so, the tenant has a responsibility to report any possible sightings of bedbugs in their apartment.
- If a tenant fails to report an infestation of bedbugs prior to lease cancellation or termination, the tenant may lose their security deposit and may incur additional charges associated with pest control treatments.

Tenant Roles and Responsibilities

It has been determined, based on the inspection of your residence conducted by the Pest Control Company and a Rogersville Housing Maintenance employee that bedbugs are present and professional treatment is required. Bedbugs are a problem that can only be solved when all parties, you the tenant, the Rogersville Housing Authority and the Pest Control Company work together toward a common goal, extermination and elimination. HUD regulations require the tenant's cooperation in order to successfully eliminate the presence of bedbugs. Without proper treatment, bedbugs are difficult to contain and have the potential to infest neighboring housing units. In addition, if a tenant relocates and the proper treatment has not taken place, the bed bugs will move with the tenant as bedbugs can be carried in furniture, bedding, clothing, etc. The Rogersville Housing Authority will not be responsible for the reimbursement and/or replacement of any tenant furniture, clothing, household items and medical expenses. The following list outlines the roles and responsibilities of the tenant in the treatment of bedbugs:

- Remove all sheets, blankets, mattress covers, pillowcases, etc. from all beds and wash in hot water (120+ degrees is recommended). Dry in a clothes dryer on the highest heat setting for at least 30 minutes. Fold and place them in plastic garbage bags and seal the plastic bags tightly. **DO NOT** put them back on the bed until the evening after the treatment. This process should be completed before each treatment.
- Remove everything from bedrooms and hall closets and place in tightly sealed garbage bags. Closets, dresser drawers, and nightstand drawers must be empty. Remove all clothing, toys, boxes, etc. from bedroom floors and place in tightly sealed plastic garbage bags. These items need to remain sealed until after the final treatment and inspection is completed.
- Furniture needs to be slid 3 foot away from the baseboards.
- Wash all clothing, towels, and other linens in hot water (120° is recommended) and place in the dryer on the highest heat setting for at least 30 minutes. Place clean items in airtight plastic storage bins or plastic garbage bags that are sealed tightly and store them until the final treatment is completed.
- Discard all cardboard boxes, cardboard hangers, etc.
- Remove all pictures from walls and place in tightly sealed plastic containers or plastic bags. Pictures need to remain in sealed containers or plastic bags until final treatment is completed.
- Bedbug mattress and box spring encasements (covers) are recommended on all beds. RHA will discuss mattress and box springs encasements (covers) with you. Failure to purchase recommended mattress and box spring encasements (covers) could result in ineffective treatment. However, mattress and box spring encasements (covers) must be approved by the Rogersville Housing Authority. The bedbug mattress and box spring encasements (covers) are an effective bedbug killer when combined with treatment and must remain on the beds for at least one year after treatment is completed. If the mattress or box spring encasements (covers) becomes torn or damaged it must be replaced.
- Discarded mattresses, box springs, furniture, etc., must not be placed in dumpsters on the Rogersville Housing Authority property.
- **We request that you be present for each treatment, however, you will need to leave after the treatment is completed for four (4) hours. All house hold members and pets will need to leave for the four (4) hours after treatment.**

Rogersville Housing Authority and Pest Control Company Treatment Procedure

Once you have completed the Tenant Roles and Responsibilities the Pest Control Company along with a Rogersville Housing Authority Maintenance employee will begin the treatment to eliminate the bedbugs in your apartment. **We request that you be present for each treatment, however, you will need to leave after the treatment is completed for four (4) hours.**

- The process of eliminating bedbugs will consist of four (4) treatments performed by the Pest Control Company along with a Rogersville Housing Authority Maintenance employee. Each treatment will be performed once a week for a total of four (4) treatments which will consist of four (4) weeks provided the tenant has followed the Tenant Roles and Responsibilities. The inspection of the dwelling will be after the fourth treatment has been successfully completed by the Pest Control Company and a Rogersville Housing Authority Maintenance employee. In cases where the tenant has not performed the Roles and Responsibilities, treatment will be more than the anticipated four (4) weeks. The Pest Control Company along with the Rogersville Housing Authority will notify you when the next treatment will be performed.

Please call the Maintenance department if you have any questions or concerns.

Failure to Comply **Treatment for bedbugs is NOT optional.**

If treatment is scheduled and the exterminator determines that the tenant has not performed the above stated responsibilities the following may result:

- Treatment will be cancelled by the exterminator.
- Tenant will be held financially responsible for all costs due to bedbug infestation.
- When pest control and Rogersville Housing Authority maintenance staff have determined that a tenant has bed bugs, the tenant will have **up to two weeks including weekends and holidays** to prepare the apartment for treatment and contact RHA maintenance department to come out and inspect to see if the tenant is ready for treatments. Preparation will be based on guidance from pest control and maintenance staff. If the tenant has followed the guidelines given for preparation, RHA maintenance will schedule treatments with the pest control company. **After two weeks, if the apartment is not ready to be treated, the tenant may be charged \$100.**
- Since consistency in treatments is needed to assist with exterminating bedbugs, Rogersville Housing Authority will require tenants to receive the four (4) bed bug treatments from pest control within five (5) weeks of the first treatment. RHA maintenance staff and the contracted pest control company work together to schedule these special treatments. If the pest control company cannot gain access the apartment, the pest control company and RHA maintenance department have given up valuable time that could have been directed elsewhere. **If treatments have started and the tenant does not let pest control come in to treat the apartment more than one time during the five (5) week period, the tenant will be charged \$100.**
- Tenant lease may be terminated.

Failure to Report

- Rogersville Housing Authority expects all tenants to respect their living space and the living spaces of their neighbors. In doing so, the tenant has a responsibility to report any possible sightings of bedbugs in their apartment.
- When a tenant reports a possible sighting of bedbugs, Rogersville Housing Authority will send a maintenance staff member and/or accompany pest control to do a check of the apartment. Early intervention will assist in the treatment of the tenant's apartment and reduce the spread of bed bugs to other apartments in the development.
- If a tenant has an infestation of bedbugs and does not report the infestation to the Rogersville Housing Authority, the tenant may be charged for the cost of the treatment to their apartment as well as the treatment of the neighboring apartments.
- If a tenant allows visitors into their apartment when they have a bedbug issue, the tenant may be responsible for the treatment of apartments in other areas of the housing development.
- If the bedbug infestation is an extreme case from failure to report, the tenant may incur the charge for treatment and may have their lease terminated.

Failure to Report Prior to Moving Out or Lease Termination

- Rogersville Housing Authority expects all tenants to respect their living space and the living spaces of their neighbors. In doing so, the tenant has a responsibility to report any possible sightings of bedbugs in their apartment.
- If a tenant fails to report an infestation of bedbugs prior to lease cancellation or termination, the tenant may lose their security deposit and may incur additional charges associated with pest control treatments.

Prevention Tips

- Wash all bedding regularly in hot water the water should be at least 120°.
- Use bedbug encasements (covers) on all mattresses and box springs.
- Check your own bed for bedbugs from time to time; catching them early will make bedbug treatment easier if bedbugs do occur.
- Vacuum floors regularly; use the brush tool of your vacuum to vacuum your mattress; use a crevice tool to vacuum crevices in the mattress and your baseboards.
- Clean up clutter to reduce hiding spots.
- When purchasing secondhand clothing place all garments in a sealed bag until they can be washed and placed in dryer on high heat for 30 minutes.
- If you purchased used furniture, examine it for bedbugs. Pay special attention to used mattresses and bed frames.
- When traveling, check your room for signs of bedbug such as bloodstains on the pillows or linens. Inspect mattress seams; look behind headboards and pictures. If you suspect you may have brought bedbugs, place infested items in the dryer or freezer.
- After you return from a trip, check your luggage for insects that may have hitched a ride.

Dear Tenant:

As you may have heard in the news, bedbug infestations are becoming pandemic in the United States. They are one of the most troublesome pests ever, mostly because they can survive for over a year without a blood meal and eliminating them is lengthy and very expensive.

Fortunately for the Rogersville Housing Authority and its residents, we have not had many cases of bedbugs. Those that we have had have been reported by the tenants as soon as they become aware of them.

We would like to educate our tenants on how to prevent bedbugs by showing a video here at the office for those of you that are interested. **If you watch the video we will provide you at no charge with one (1) Mattress Cover (any size)** recommended by the Pest Control Company to eliminate bedbugs, provided it is used properly.

Once you are provided a free mattress cover, it must be placed on your box springs or if you do not have box springs, the cover must be placed on the mattress. If you acquire bedbugs after you received the mattress cover because you did not place it on your mattress, you could be charged for the treatment to the pest control company.

In addition to the free mattress cover we do have Bedbug mattress covers available for you to purchase at the cost that we pay for them. We will add this charge to your account to be paid with the next two month's rent. Please remember that it must be paid by the 10th of the month so that you do not get a late charge added to your account.

Also, periodically during your monthly pest control a precautionary bedbug check may be performed. This will involve visual inspection of your beds.

Please complete the form below if you are interested and return it to the office. We will notify you of the time when you can watch the video and receive your free mattress cover.

The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Rogersville Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc.). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The informal hearing requirements defined in HUD regulations are applicable to tenants who disagree with an action, decision, or inaction of the Rogersville Housing Authority. Grievances or appeals concerning the obligations of the tenant and the Rogersville Housing Authority under the provisions of the lease shall be processed and resolved in accordance with the Grievance Policy and Procedure of the Rogersville Housing Authority, which is in effect at the time such grievance or appeal arises. An Informal Hearing is required as the initial step to resolve any disputes between the Rogersville Housing Authority and a tenant.

Tenants of the Rogersville Housing Authority who desire an informal hearing must submit a written request to the Rogersville Housing Authority's office located at 902 Locust Street in Rogersville, TN, either by U. - B. Death of family member supported by a Death Certificate or published obituary.

Any tenant who does not reschedule by the designated date or does not appear at the scheduled time loses their right to an Informal Hearing and may not raise the issues at any other proceeding, except in an appropriate judicial proceeding.

All parties are given the opportunity to present information, documents, and statements pertaining to the complaint. The tenant may also be given an opportunity to present additional information within an agreed upon time frame.

REQUEST FOR FORMAL HEARING: The tenant's written request for a formal hearing must specify:

- The reasons for the grievance; and
- The action or relief sought by the tenant; and

FAILURE TO REQUEST A FORMAL HEARING:

If the tenant fails to request a formal hearing within five (5) working days from the date of the written Summary of the informal hearing, the Rogersville Housing Authority's decision rendered at the informal hearing becomes final. This action in no way constitutes a waiver of the tenant's right to contest the Rogersville Housing Authority's decision in an appropriate judicial proceeding.

SELECTION OF HEARING OFFICER'S:

A Grievance Hearing shall be conducted by an impartial person or persons appointed by the Rogersville Housing Authority. The Housing Authority shall nominate a slate of impartial persons to sit as hearing officers. Such persons will include responsible persons in the community; however, others such as Rogersville Housing Authority Board members, staff members, residents and professional arbitrators may be used.

Hearing Officers will be informed that they will be expected to disqualify themselves from hearing grievances that involve personal friends, other residents of developments in which they work or reside, or grievances in which they have some personal interest.

A list of all hearing officers will be kept at the Rogersville Housing Authority office and can be made available for public inspection at any time.

SCHEDULING HEARINGS

When a tenant submits a timely request for a Formal Grievance Hearing, the Rogersville Housing Authority will contact the Hearing Officers to schedule the hearing within the following five (5) working days. The tenant will be notified of the date and time for the hearing. Notice to the tenant shall be personally delivered or sent by certified mail, return receipt requested. The written notice will specify the date and time of the formal hearing.

PROCEDURES GOVERNING THE FORMAL HEARING

All grievances must be informally presented as a prerequisite to a formal hearing. The tenant shall be afforded a fair hearing, which shall include:

- A. The hearing shall be held before the Hearing Officers.
- B. The parties may be represented by legal counsel or another person chosen as a representative.
- C. Prior to the hearing, the housing authority will provide the tenant with a copy of all documents, records, and regulations of the Rogersville Housing Authority that may be relevant to the hearing, unless otherwise prohibited by law. In the event the Rogersville Housing Authority does not provide the tenant with a copy of all relevant documents prior to the hearing, the Housing Authority may not rely on other documents not provided to the tenant at the hearing as set forth in the federal guidelines.
- D. Prior to the hearing, the Housing Authority shall also have the opportunity to examine and to copy at the expense of the authority, all documents, records and statements that the tenant plans to submit during the hearing to refute the housing authority's inaction or proposed action. Any documents not so made available to the housing authority may not be relied upon at the hearing.
- E. The tenant shall have the right to present evidence and arguments in support of the complaint, to controvert evidence presented by the Housing Authority, and to confront and cross examine all witnesses upon whose testimony or information the Rogersville Housing Authority relies;
- F. The tenant has the right to a decision based solely and exclusively upon the facts presented at the hearing.
- G. The Hearing Officer shall require the Rogersville Housing Authority, the tenant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- H. The Presiding Officer shall initially take appropriate steps to define the issues. Thereafter, relevant information, including testimony of witnesses, written material, and any other supporting documentation shall be received regarding such issues. Both the tenant and the Housing Authority shall be entitled to question each other's witnesses. The hearing officers may question the tenant and any witnesses and may take notice of matters of common knowledge, applicable laws, regulations and RHA rules and policies.

Any evidence to be considered by the hearing officers must be presented at the time of the hearing. There are four categories of evidence:

Oral evidence: the testimony of witnesses

Documentary evidence: a writing which is relevant to the case, for example, a letter written to the Housing Authority or the tenant. Writings include all forms of recorded communications or representation, including letters, e-mails, words, pictures, sounds, videotapes or combinations therefore.

Demonstrative evidence: Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officers, such as a model, a chart or other diagram.

Real Evidence: a tangible item relating directly to the case.

The hearing shall be video recorded and maintained by the RHA until any applicable appeals have been decided. The Housing Authority will consider that an audio tape recording of the proceedings is a transcript.

Hearings shall be limited to one-half (1/2) hour, fifteen (15) minutes per side, unless the presiding officer extends the time for good cause.

DECISION WITHOUT A FORMAL HEARING:

If the Hearing Officers determine that the issue has been previously decided in another proceeding (informal hearing) a decision may be rendered without proceeding with the formal hearing.

FAILURE TO APPEAR

If the tenant fails to appear at the scheduled hearing, except for verifiable good cause, the tenant is in automatic default and the decision of the Hearing Officers in his/her absence shall be final. Such a determination in no way waives the tenant's right to appropriate judicial proceedings in another forum.

If the tenant does not appear at the scheduled time of the hearing, the Hearing Officers will wait up to 15 minutes. If the tenant does not arrive within the scheduled time, they will be considered to have failed to appear.

"Good Cause" is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

ACCOMMODATIONS OF PERSONS WITH DISABILITIES

The Rogersville Housing Authority must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants. If the tenant is visually impaired, any notice to the tenant is required under this procedure to be in an accessible format.

DECISIONS OF THE HEARING OFFICER'S

The decision of the Hearing Officer's shall be based solely and exclusively upon the facts and evidence presented at the hearing and upon applicable County and Federal regulations and requirements.

The Hearing Officer's shall give the Rogersville Housing Authority and the tenant a written decision, including the reasons for the decision, within **five (5)** working days following the hearing. The Rogersville Housing Authority will place one copy in the tenant file and a copy will be forwarded to the tenant by U. S. Mail and will be certified with a return receipt or hand delivered to the tenant.

A decision by the Hearing Officer's in favor of the Rogersville Housing Authority, or which denies the relief sought by the tenant, in whole or in part, shall not constitute a waiver of or affect in any manner whatsoever, the tenants' rights to trial by judicial proceedings which may thereafter be brought in the matter.

The decision of the Hearing Officer's shall be final. The decision of the hearing officers shall be binding on the Rogersville Housing Authority which shall take all actions necessary to carry out the decision.

29.0 ABANDONMENT

The Rogersville Housing Authority will consider a unit to be abandoned when a tenant has unexplained absences for thirty (30) days or more, is not eating or sleeping in the unit, has moved a substantial amount of furnishings, or has both fallen behind in rent AND has clearly indicated by words or actions an intention not to continue living in the unit. When a unit has been abandoned, a Rogersville Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place for 30 days. A notice will be mailed to the resident stating where the property is being stored and when it will be disposed of. The tenant will be required to make arrangements with the Maintenance Department in order to pick up the abandoned property. If the Rogersville Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the Post office.

After the 30-day waiting period, the Rogersville Housing Authority will sale or dispose of the property. Any money raised by the sale of the property goes to cover money owed by the family to the Rogersville Housing Authority, such as back rent and the cost of storing and selling the goods. If there is any money left over and the tenant's forwarding address is known, the Rogersville Housing Authority will mail it to the tenant. If the family's address is not known, the Rogersville Housing Authority will keep the money for the resident for one year. Security deposits on abandoned apartments are automatically forfeited.

For tenants who are admitted to a care facility such as a nursing home, rehabilitation facility or a hospital and will be absent for 30 days or more and continue to pay the monthly rent and other charges, the Rogersville Housing Authority will request written verification from the health facility stating the admission date and expected date of discharge. The Rogersville Housing Authority will extend the absence for no more than 90 days. After the 90 days has expired, the tenant must return to the unit. If the tenant fails to return to the unit after the 90 days, the apartment will be considered abandoned. At that time, the tenant will need to have their belongings removed and return the keys to the Rogersville Housing Authority.

30.0 RETURN OF SECURITY DEPOSIT

After a family tenant(s) moves out, the Rogersville Housing Authority will return the security deposit within 45 days or give the family tenant(s) a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

Security Deposits will not be refunded until the Rogersville Housing Authority has the final inspection charges and also the final utility statements.

The Rogersville Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U S. Mail with first class postage paid within 45 calendar days.

If the tenant moves out before the entire security deposit is paid in full (\$200), the tenant will forfeit the amount already paid and will not receive any of the deposit back.

33.0 CRIMINAL TRESPASS

33.1 GENERAL

The Rogersville Housing Authority, hereinafter referred to as “housing authority”, is aware of the problem its residents and the housing authority face with the unwanted presence of persons on, in, or about the property of the housing authority. Recognizing the seriousness of illegal drug activity, as well as other criminal activity, the housing authority adopts the following policy in an effort to enhance the safety, health, and well-being of its residents and property.

The goal of the following policy is to reduce criminal activity involving drugs and other activity, which threatens the peace and tranquility desired for public housing and its residents. The following policy is to be implemented and carried out under the laws of the State of Tennessee.

The lease signed by each tenant makes the tenant responsible for the conduct of the tenant's guests. While visitors are welcome, they are expected to act in an appropriate and lawful manner at all times. They are expected to limit their visits to the tenant's apartment and yard. Engaging in criminal activity or unreasonably disturbing any resident or staff of public housing will not be tolerated.

Individuals who engage in certain prohibited activities will be banned from all properties owned and/or managed by the Rogersville Housing Authority in accordance with T. C. A. 39-14-405 and rules adopted by the Board of Commissioners of the Rogersville Housing Authority.

The Rogersville Housing Authority has developed categories of offenses which may support the inclusion of an individual on RHA's Criminal Trespass List. The following examples of prohibited behaviors/activities are not intended to be exclusive. An individual may be banned from RHA property for any violation of law or RHA Rules and Regulations or if it is believed that the person is or has become a threat or has exhibited behaviors that would threaten the health, safety or right to peaceful enjoyment of the premises by other tenants.

CATEGORY I: Individuals who commit certain crimes may be permanently barred (lifetime) from entering onto property owned or managed by the Rogersville Housing Authority. These “Category I” crimes include but are not limited to:

- Prostitution
- Any violent activity including, but not limited to, assault, domestic violence, rape, murder, and/or possession of a deadly weapon.
- Conviction as a sex offender.
- Repeated drug activity.
- Repeated violations of law or RHA Rules and Regulations.
- Any violent activity including, but not limited to, assault, domestic violence, rape, murder, and/or possession of a deadly or illegal weapon.

CATEGORY II: An individual who is found by RHA to commit “Category II” offense may be banned from entering onto property owned or managed by the Rogersville Housing Authority property for a period up to three (3) years. These “Category II” crimes include but are not limited to:

- Possession of illegal drugs or drug paraphernalia.
- Robbery
- Stalking
- Theft
- Larceny
- Burglary
- Arson
- Harassment of staff, residents, county or city officials or personnel.
- Repeated violations of law or RHA Rules and Regulations.

CATEGORY III: An individual who is found by RHA to commit “Category III” offense may be banned from entering onto property owned or managed by the Rogersville Housing Authority property for a period up to one (1) year. These “Category III” crimes include but are not limited to:

- Fighting
- Public Intoxication
- Disturbing the peace
- Living with a resident of the housing authority while not on the lease.
- Damage to property of the housing authority. In cases where restitution has been made, the perpetrator may request that the housing authority lift the ban prior to the end of the one (1) year ban.
- Repeated violations of the RHA's Parking Policy.
- Repeated violations of the RHA's Pet Policy.

33.2 ISSUING NOTICE OF CRIMINAL TRESPASS

The Rogersville Housing Authority considers any person who enters onto its properties without the authority or permission of management and/or residents as trespassers. The housing authority shall cause a verbal or written notice to be issued to any nonresident who has no legal right to be on the property of the housing authority. Said notice shall state that such persons shall not come on any property belonging to the housing authority for the time periods described under categories listed above. When practical, a trespass notice shall be in writing but the housing authority shall have the right to rely on a verbal trespass notice that is documented in the housing authority's records.

The notice shall be issued to such person or persons by a Police Officer or Rogersville Housing Authority personnel. However, the decision to ban individuals shall be approved by the RHA Executive Director or his/her designee. A conviction under state or federal law is not required to support the decision to ban any individual from entering onto RNA property.

Where the violation is associated with a specific tenant family, this family will be notified in writing that the individual has been banned from the Rogersville Housing Authority and that they understand that if they allow this individual(s) to be at their residence or on the property, they will be issued a thirty (30) day lease cancellation for violation of the RNA Trespass Policy.

Any person who has received a Notice of Criminal Trespass to leave the property under the provisions of this policy and who returns to the housing authority property within the proscribed period of time from the date the notice was issued, shall be subject to arrest for criminal trespass as provided for in TCA Section 39-14-405 & Section 39-14-406 and under the laws of the municipality.

Any person who returns to the property of the housing authority and who is found to be on said premises shall have the times enumerated herein extended to a term up to twice the original term or expiration of the notice issued by the housing authority.

Any person who is barred from the housing authority property three (3) times or is charged with trespassing three (3) times is subject to a lifetime ban from entering any housing authority property.

A copy of the notice and related documents shall be maintained by the housing authority.

The Rogersville Housing Authority will prepare and maintain a “Criminal Trespass List” containing the names of individuals who have been banned from the RHA property. The Criminal Trespass List will be posted in the office of the RHA. Residents will be supplied with a list of persons banned from property as it is updated.

33.3 SPECIAL PERMISSIONS

During the term of the trespass notice, the Rogersville Housing Authority shall have the authority, under special circumstances and pursuant to the written application of the person as described above, to give written special permission for the person to be on the housing authority property at a particular time and for a particular purpose. Said permission shall only apply for the specific purposes and for the specific times in the letter. Said special permission shall not constitute a waiver of the provisions of the original notice, except for the specific terms and conditions of the special permission letter in this paragraph. Said letter shall be in the possession of the person while he/she is on the housing authority property, and shall be produced upon demand by an employee or law enforcement officer.

If the person fails to produce said letter, he/she shall be deemed to be in violation of the original trespass notice.

In the case of an emergency (such as death of a family member) the banned individual may contact the Executive Director to request emergency visitation. Authorization to visit the property may be granted if determined to be valid by the Executive Director or housing authority personnel. Authorization must be in writing and in possession of the banned individual at all times while on the property (Verbal authorization may be given in the case of an afterhours request and then followed by written authorization).

33.4 CRIMINAL TRESPASS NOTICE PROCEDURES

It is the policy of the Rogersville Housing Authority for persons to be placed on the criminal trespass list in the housing authority's communities when such person meets certain criteria. A person to be placed on the criminal trespass list must have knowingly entered or remained unlawfully upon the premises of the housing authority and committed an offense such as those listed under specific categories listed above.

The housing authority shall, in good faith, attempt to have the written notice attached hereto served on the person charged with criminal trespass by hand delivery.

The person will be requested to acknowledge receipt of the notice by his or her signature on the notice. If the person refuses to sign the notice, the issuing person shall write "Refused to Sign" on the place designated for the signature. In cases where the person is fleeing from the judicial system or there is not a known address, the person issuing the notice shall write "Unable to Obtain Signature" on the place designated for the signature. Where the violation is associated with a specific tenant family, this family will be notified in writing that the individual has been banned from the Rogersville Housing Authority and that they understand that if they allow this individual(s) to be at their residence or on the property, they will be issued a thirty (30) day lease cancellation for violation of the RHA Trespass Policy.

If possible, a picture of the person may be made for inclusion in the file for future reference.

A copy of the notice and related documents shall be maintained by the housing authority and sent to the local police department. The names of the persons receiving the trespass notice shall be maintained by the Rogersville Housing Authority for use in their official capacities.

If an address for the person is known, the Executive Director will send a notice by first class mail with a copy of the Criminal Trespass Notice.

33.5 APPEALING A WRITTEN NOTICE

Any person being served the notice who desires to contest the issuance of a criminal trespass notice should do so in writing addressed to the Executive Director. Any person filing an appeal may attach thereto-relevant supporting statements from other persons and other appropriate and reasonable documentary evidence. After review, the Executive Director or designated employee shall have the authority to continue the circumstances, which shall be equitable, when considering all the factors involved.

Resolution 7/12/2018

SMOKE FREE POLICY

Approved by Board

Effective July 30, 2018

Revision effective 1/10/2019

Tenants and all members of a Tenant's family or household are parties to a written lease with the Rogersville Housing Authority (RHA). This policy states the following additional terms, conditions, and rules which are hereby incorporated into the Apartment Lease Agreement.

PURPOSE

RHA desires to 1) mitigate the irritation and known health risks from secondhand smoke; 2) reduce and eliminate the increased maintenance and cleaning costs caused by smoking within the residence; 3) reduce and eliminate the increased risk of a fire caused within the residence due to smoking.

DEFINITIONS

"Smoking" means engaging in an act that generates smoke, such as: possessing a lighted pipe, a lighted hookah pipe, a lighted cigar, or a lighted cigarette of any kind including electronic cigarette (vape); or lighting or igniting a pipe, a hookah pipe, a cigar, or a cigarette of any kind, or an electronic cigarette.

"Smoke" includes, but is not limited to, tobacco smoke, marijuana smoke, and smoking any other products, legal or illegal.

"Tobacco Product" means any substance containing tobacco leaf and any product or formulation of matter containing biologically active amounts of nicotine that is manufactured, sold, offered for sale, or otherwise distributed with the exception that the product or matter will be introduced into the human body, but does not include any cessation product specifically approved by the United States Food and Drug Administration for use in treating nicotine or tobacco dependence.

SMOKE FREE POLICY

Smoking anywhere inside the dwelling units or building of the apartment community is strictly prohibited. All forms of smoking inside any dwelling unit, building, or interior of any portion of the community area are strictly prohibited, as well as in outdoor areas within 25-feet from public housing administrative and maintenance office buildings. Any violation of the no-smoking policy is a material and substantial violation of the Lease Agreement.

This policy extends to, but is not limited to, the leasing offices, building interiors, common areas, dwelling units, all interior areas of the community and all other spaces whether in the interior of the community or in the enclosed spaces on community grounds.

Even though smoking may be permitted in outdoor areas of the apartment community, RHA reserves the right to direct that occupants, family, guests, and invitees stop smoking in those areas if smoke is entering a dwelling or building or if it is interfering with the health, safety, or welfare or disturbing the enjoyment of the premises, or business operations of RHA, other residents, or guests.

Compliance: Enforcement of this Smoke Free Policy is a joint responsibility that requires occupants' cooperation in reporting incidents or suspected violations of smoking. Occupants must report the violations of the no-smoking policy before RHA is obligated to investigate and act, and occupants must cooperate with RHA in prosecution of any violation. RHA shall take reasonable steps to ensure compliance with the terms and provisions of this policy. Residents shall be responsible for informing guests, visitors, invitees and / or service contractors of the Smoke Free Policy and shall ensure they comply with this Smoke Free Policy. Residents will be financially responsible for any costs incurred by RHA due to violation(s) of the Smoke Free Policy by guests, visitors and / or service contractors. Costs incurred include up to a \$25 charge for removing cigarette butts from anywhere on the property that are not properly disposed of. Further, residents shall promptly notify RHA of any incident involving smoking or migrating secondhand smoke.

Disclaimer: By signing the Public Housing Dwelling Lease Agreement, which incorporates this policy, Resident acknowledges the following: a) that the adoption and / or enforcement of the Smoke Free Rule shall not make RHA a guarantor of resident's health or of the smoke-free condition of the resident's apartment and the common areas; b) the adoption and / or enforcement of the Smoke Free Rule shall not, in any way, change the warranty of habitability, the covenant of quiet enjoyment, or other duty of care owed to the resident; and c) that RHA's ability to police, monitor, or enforce the Smoke Free Rule is dependent in significant part on compliance by the resident and resident's guests. **RHA is not required to take steps in response to smoking unless RHA receives a notice of the presence of cigarette smoke, via RHA agent, personal knowledge, and / or written notice by a resident.** RHA specifically disclaims any implied or express warranties that the building, common areas, or resident's premises will have any higher or improved air quality standards than any other rental property. RHA cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke.

Lease Violations: Residents are responsible for the actions of their household, their guests, and visitors. Failure to adhere to any of the conditions of this policy will constitute both a material non-compliance with the Lease Agreement and a serious violation of the Lease Agreement. In addition to eviction, residents who violate this policy will be financially responsible for any damages resulting from smoking, such as increased maintenance, cleaning, and turnover cost.

Enforcement Procedures: The RHA shall give a tenant five (5) opportunities to remedy non-compliance with the Smoke Free Policy. The following is an outline of the enforcement procedure, which is not meant to be an exclusive description of enforcement steps and is subject to change in general or for specific cases:

1st Infraction – Verbal Warning

2nd Infraction – Management shall issue a written Notice of Non-Compliance to the tenant that will remind the tenant of the Smoke Free Policy and their obligation to comply with said policy in accordance with the Lease Agreement.

3rd Infraction – Management shall issue a Second Notice of Non-Compliance in writing to the tenant along with a copy of this policy, citing potential consequences for future violations of their Lease agreement.

4th Infraction – Management shall schedule a private conference with the tenant.

5th Infraction – Management shall refer to RHA Legal Counsel for lease enforcement.

At vacancy, if the apartment is damaged by smoke, the RHA will keep a portion or all of the Security Deposit and may charge an extra fee depending on the damage.

Acknowledgement: By signing the Public Housing Dwelling Lease Agreement, residents acknowledge that a violation could lead to termination of right of possession or the right to occupy the dwelling unit and premises. If the resident or someone in the resident's household is a smoker, the resident should carefully consider whether they will be able to abide by the terms of this policy. Before signing, resident must advise the RHA whether anyone who will be living in the dwelling is a smoker.
